Youth & Young Adult Substance Use Prevention and Recovery Symposium

**Annaliese Dolph, Director**

# Governor Kotek's Vision

---

Every Oregonian should have access to healthcare, including behavioral health services and supports – no matter where they live or what they can afford.

---

The Governor is mission-focused on building a behavioral health continuum of care that will meet people where they are and provide culturally and linguistically appropriate services to meet their mental health and addiction needs.

# ADPC Strategic Plan: 4 Outcomes 4 Strategic Goals

---

## OUTCOMES

- Decreased prevalence of substance use disorders
- Decrease of Oregonians who die from substance use-related causes
- Reduce health disparities
- Reduce economic burden of substance use in Oregon

---

## STRATEGIC GOALS

- Statewide system
- Prevention
- Access to Treatment
- Recovery Supports

# Governor's Short-term Goals for the Commission

- Provide clear direction to actively address substance use disorders in Oregon.
- Assess the current strategic plan and operationalize next steps for priorities that align with the Governor's vision.
- Work with state and local entities on direction and strategies, in particular:
  - Youth prevention strategies
  - Treatment capacity
  - Harm reduction strategy to reduce deaths related to overdose
  - Public education on fentanyl and emerging threat of xylazine

# ADPC Next Steps

- **Build a Foundation:** High functioning and effective Commission that can rely on data and metrics to make informed decisions and meaningfully measure progress as well as setbacks.
- **Bridge the divide:** Establish ADPC role with participating state agencies, align priorities across state government, and reduce siloes.
- **Close the Gap:** Based on the OHSU Gaps Analysis and the upcoming SUD Financial Analysis and Behavioral Health Facility Assessment, ADPC will recommend priorities for immediate funding and implementation.

# Thank you!
