

Looking to start or grow your family?

Moda Health's Assistance Reproductive Technology Services (ARTs) give PEBB members expanded infertility benefits and support.

Want to start or grow your family but have difficulty conceiving? As a PEBB member of Moda Health's coordinated care model (CCM) plan, you have expanded infertility benefits that include medical coverage and support.

We offer Assistance Reproductive Technology Services (ARTs) and artificial insemination at no cost sharing up to a \$35,000 annual benefit maximum for medical and pharmacy expenses. That means you are covered and will have no out-of-pocket expenses for qualifying infertility services up to \$35,000.

Your plan's fertility benefits include the following:

- In vitro fertilization (IVF)
- Gamete intra-fallopian transfer (GIFT)

- Zygote intra-fallopian transfer (ZIFT)
- Pre-implantation genetic diagnosis (PGSD)
- Intracytoplasmic sperm injection (ICSI)
- Ovum microsurgery
- Related prescription medications
- Artificial insemination, including intrauterine insemination (IUI)*

**Limited to a lifetime maximum of 6 cycles and sperm wash.*

Continued on page 2

Other related fertility services (not subject to the \$35,000 annual benefit maximum) include*:

- Diagnostic testing and related office visits to determine the cause of infertility
- Examination, related lab testing and medical procedures to treat infertility
- Acquisition cost for semen
- Infertility-related medications or injectables
- Covered infertility-related supplies

*Normal cost sharing applies.
