[1] Members can utilize any licensed providers on the Premier plans and receive in-network benefit level. However, the out-of-network providers may bill you for any amount above the maximum plan allowance.
[2] Preventive services will not accrue toward the plan maximum.
[3] The $1,500 (Kaiser) and $1,800 (Delta Dental) lifetime maximum coverage is separate from the $1,750 annual maximum coverage.
[4] Benefits payments increase by 10% each plan year provided the member has visited a Delta Dental PPO provider at least once during the plan year.
[5] For implant surgery only
[6] Benefits for implant surgery have a benefit maximum.
[7] A $10 office visit copay applies to each office visit, except the first new patient preventive visit for members who have not previously seen a participating provider.

1. To receive in-network benefits, members must choose a medical home in the plan, notify the plan of their choice, and receive care through providers from that medical home or from providers referred by their medical home. Otherwise, benefits typically have higher costs or may not be covered. See the list of medical homes on the plan's website.
2. All medical plans have a standard plan deductible (except Kaiser Traditional). On the Kaiser deductible plans, the deductible is waived on additional services; please see the benefit summary for additional details.
3. Providence Statewide plan members whose in-network provider has been recognized by the Oregon Health Authority as a patient-centered primary care home will have the lower coinsurance.
4. These are visits for care of asthma, diabetes, cardiovascular disease and congestive heart failure. Not subject to deductible in network.
5. Copay amounts for use of a hospital emergency department are waived if the member is admitted directly to the hospital for inpatient treatment. This does not include admittance for observation. Copay does not apply to out-of-pocket maximum except in Kaiser plans. In plan deductible applies.
6. These procedures are MRI, CT, PET and SPECT scans; sleep studies; spinal injections; upper endoscopy; bunionectomy; surgery for hammertoe and Morton's neuroma; and service not covered in 2023. Copay does not apply to out-of-pocket maximum. Not applied to cancer-related procedures. These procedures may be overused compared with their risks and benefits. One copay will be applied for each service billed. Multiple copays may apply if more than one service is done in a visit.
7. These are surgical procedures for hip or knee replacement or resurfacing; knee or shoulder arthroscopy; bariatric surgery; spine procedures; and sinus surgery. Copay does not apply to out-of-pocket maximum. Not applied to cancer-related procedures. These procedures may have alternatives that provide equal or better outcomes with lower risks and costs.
8. The prescription drug deductible is $50 per person or $150 for families with three or more members. It applies separately from the medical deductible.
9. The prescription drug out-of-pocket maximum is $1,000 per person, with a family maximum of $3,000. It accrues separately from the medical out-of-pocket maximum.
10. All plans have formularies that list covered drugs. Value drugs typically are generic drugs that are used in treating most common chronic conditions.
11. Copays and coinsurance do not apply to out-of-pocket max except for Kaiser.
12. Moda and Providence out-of-network providers may bill you for any amount over the maximum plan allowance. Massage therapy benefit is only available to Kaiser deductible plan members. Members have access to the CHP Group network only. The benefit is not available to Kaiser Traditional plan members. For Providence members, massage therapy only applies to the Providence Choice plan.
13. Members must choose a PCP 360 with Moda and must see their chosen PCP 360 for all primary care services to be covered in network.

This document is for comparison purposes only and is not intended to fully describe the benefits of each plan. Refer to your Member Handbook/Evidence of Coverage for more details of benefit coverage. In the case of a conflict between this comparison and your member handbook, the Member Handbook/Evidence of Coverage will prevail.
