

Ryan White Part B Care Coordinator & Case Manager Training

It is a requirement of all Ryan White Part B funded care coordinators and case managers to complete the following training within 30 days of start date. Upon completion and supervisor signature, please email this document to Laura Camerato at Laura.E.Camerato@dhsosha.state.or.us. This training is not intended to take the place of hands-on training and should be combined with training provided by your agency. For those working in the county model, you will be contacted to schedule an onsite consultation for additional training and support. If you work in the regional model, contact your supervisor regarding any additional training needs. The CAREWare training may be completed internally, or with the support of OHA staff. If you would like to coordinate training with an OHA staff member, contact Laura Camerato at Laura.E.Camerato@dhsosha.state.or.us.
