Agency	Select agency given by the trainer

eWIC Training Workbook

➤ *Finding your participant*

- ▶ Each agency in the Practice Database has a complete set of practice participants (e.g. 14 versions of Samantha Seaside)
- ▶ To tell the difference between participants in each agency, every participant has their agency in their middle name (e.g. Samantha Baker Seaside)
- ▶ To tell the difference between the 14 participants within the agency, each participant has a different letter in their middle name (e.g. Samantha Baker-A Seaside)

Participant name	Look for your assigned agency name and the middle initial given by the trainer
Search by Agency	Select agency given by the trainer

➤ *Assigning eWIC card numbers*

- ▶ For this training we will use both real and virtual eWIC cards.
- ▶ Use the list of virtual eWIC card numbers given to you by the trainer to assign to families.
- ▶ As you assign each virtual eWIC card, mark on the spreadsheet the participant ID of the family you issued the card to.
- ▶ We will give you a real (plastic but no pretty picture) eWIC card to assign and use for shopping.

Note: Each month on the 1st, the Practice Database and the virtual eWIC cards are refreshed. This means participants you worked on and eWIC card numbers can be reused each month.
