Action required: Share with all store managers and cashiers.

On May 1, 2023, Oregon WIC will discontinue the large can sizes of Similac products that are temporarily available due to the formula shortage.

See the attached list of the UPCs to be removed May 1, 2023, to help your store with the transition.

Use the QR code below to see which products will remain on Oregon's WIC Approved Products List (APL).

The Oregon WIC Vendor Team can be reached at 1-877-807-0889. We will do our best to respond to everyone as quickly as possible.
