

Oregon Immunization Program (OIP) introduces our new Training Portal. Here you will find courses and materials designed to help you learn and navigate ALERT IIS, vaccine management, and VFC and CDC requirements. We will continue to expand our training resources to cover additional topics to better support Oregon vaccine providers.

Creating an Account

1. Go to the [OIP Training Portal](#)
2. Click on "Create an Account"
3. Fill out self-registration form
4. Log in
