Have you experienced barriers to affording or keeping health insurance?

The Joint Task Force on the Bridge Health Care Program wants to hear from you.

Please come provide feedback if:

- You have Oregon Health Plan (OHP) but may lose coverage because your income is close to, or above, the OHP limit.
- Your income goes up and down over time, causing you to gain and lose OHP coverage.
- You can't afford medical or dental insurance.
- You can't afford health care because of out-of-pocket costs.

Listening Session Focus

You will be able to provide feedback about:

- How gaining and losing insurance impacts your access to health care
- How premiums and co-pays affect your access to health care
