

When the Public Health Emergency (PHE) ends, the agency will begin the process of re-evaluating eligibility for all members. The agency intends to sequence renewal activity by groups, in a way that maintains coverage for as many Oregonians as possible while avoiding gaps or disruptions in service.

Group	Description	Sequence
Parent Caretaker	Cases with at least one individual receiving program benefits which indicate they are a parent or caretaker relative of a child in their home	Front loaded
Child Medicaid	Cases with at least one individual receiving Medicaid under the age of 19	Front loaded
SSI Recipients	Cases with at least one individual receiving Supplemental Security Income benefits	Front loaded
Pregnancy and Newborn	Cases with at least one individual receiving program benefits indicating that they are pregnant or within the postpartum eligibility period, or indicating that they're a child under the age of 1 year	Back loaded
Services - 1	Cases with at least one individual receiving OHP Plus and Long-Term Care Services whose income is over the regular OHP limits – they're eligible at a higher income threshold because of their Long-Term Care Service needs.	Spread out
Services - 2	Cases with at least one individual who is eligible for OHP Plus and is also receiving Long Term Care Services.	Spread out
MSP Only	Cases with at least one individual not receiving OHP coverage, but receiving assistance paying for their Medicare premiums	Spread out
Others	Any case with no individuals captured by the groups listed above	Spread out

After cases are assessed to see if they fit in any of the groups above, they go through an additional set of “filters” to see if any of the following apply:

Sub-Group	Description	
COVID exemptions	Cases with at least one individual who is identified as receiving a financial or non-financial COVID exemption, indicating that they’ve maintained eligibility solely due to PHE protections.	Front loaded
Bridge Plan	Cases with at least one individual likely to be eligible for the Bridge Plan; they meet all non-financial eligibility criteria, with income below 200% FPL	Back loaded
Presumptive Disability Population	Cases with at least one individual who is receiving presumptive disability benefits and have not provided verification of disability, but have remained open due to the PHE	Spread out
AI/AN Population	Cases with at least one individual who is identified as American Indian/Alaska Native.	Spread out
Houseless Population	Cases with a case address, or at least one individual address, which is identified as ‘No Permanent address’	Spread out
SNAP	Cases with at least one individual who is receiving both medical and SNAP benefits	Spread out and coordinated
Non-English Language	Cases with at least one individual who indicates that their primary language is something other than English	Spread out
Others	Any case with no individuals captured by the groups listed above	Spread out
