Weatherization Readiness Funds (WRF) Application:

The Weatherization Readiness Funds are designated for use by addressing structural and health and safety issues of homes that are at risk of deferral. This funding is specifically targeted to reduce the frequency of deferred homes that require other services outside the scope of weatherization before the weatherization service can commence.

Please tell us how your request will allow you to weatherize this project:		
Client Name:		Job Number:
Project Address:		
Year Built:	Type of housing:	
Cost of remediation:		
Deferral issue(s) that will be remedied with WRF:		
Funding sources used for weatherization (This requires at minimum to result in a DOE or DOE BIL funded completion):		
Other funds that will be leveraged with WRF that are outside of typical funding if any:		
Staff Requestor:	Agency:	Date:

OHCS Reviewer: _____ Date: _____

Email completed application along with any supporting documentation (photos, bids, etc.) directly to the WAP Coordinator for review and call with any additional questions. If there are cost adjustments to the WRF, either additional or reduced, contact the OHCS reviewer for further guidance.
