Message:

Greeting ESG-CV network!

We firstly wanted to thank you all for the tremendous work that you have accomplished throughout the last few years in response to the COVID-19 pandemic. As we move forward with sunsetting the Emergency Solutions Grant – COVID-19 program, we need to collect any pending details, which may require additional communications between OHCS and your organizations.

At this time, we are working to complete the environmental review process and need to identify subrecipients we may need to connect with to complete this process. Please see below for the requested information and response.

If you distributed ESG-CV funds to a subrecipient and they expended funds for rehabilitation, renovation, conversion, or maintenance, please provide the following information:

- Name of subrecipient
- Contact point (name and email address)
- Project name
- Project address
- Number of units
- Has a phase one environmental review been completed?
- Identify type of expended funds (please specify whether rehab/reno/conv/maintenance was expended)

If you do not have subrecipients – or if your subrecipient(s) did not expend funds for rehabilitation, renovation, conversion, or maintenance – please reply with whichever of the following statements is true:

“I distributed ESG-CV funds to a subrecipient, and they did not expend funds for rehabilitation, renovation, conversion or maintenance.”

OR

“I did not distribute ESG-CV funds to a subrecipient.”

Thank you all again for your continued efforts. OHCS appreciates your cooperation in responding to the information above.

Thank you!
