**Free Summer Meals Can Include Camps and Enrolled Programs**

*Summer Food Service Program offers nutritious meals to combat childhood hunger*

(Salem, Ore.) – Free meals for Oregon children ages 18 and younger includes those who are enrolled at camps and other enrolled summer meals programs. The Summer Food Service Program (SFSP) is part of the Oregon Department of Education’s efforts to “Bridge the Gap” students face after the end of one school year and the start of another. A complete list of these Oregon locations [can be found on the ODE website](#).

Foster children, children who receive Supplemental Nutrition Assistance Program (SNAP) benefits, Temporary Assistance for Needy Families (TANF) benefits, or households receiving Food Distribution Programs on Indian Reservations (FDPIR) benefits are automatically eligible to receive free meal benefits at eligible program sites (enrolled summer programs or residential summer camps). Meals are available without regard to race, color, national origin, sex, age, or disability.

Other children from families whose income is at or below the levels in the following table are also eligible for free meal benefits if enrolled in any of these programs.
