

2020-2021 OSAS TA Training Requirements for Test Group Permission

After a user list has been established in TIDE, DTCs will need to apply Test Group permissions to each user account via the View/Edit User interface or the User Upload module in TIDE. The training requirements for each respective Test Group are presented in the table below.

	Test Group		
	ELPA Screener	Interim	Summative
TA Training Requirement	<ul style="list-style-type: none"> ELPA Screener Training required once per calendar year Existing TAs: Need updates for 2020-21, renew at “normal” season. New TAs: Full training now, renew at “normal” season. ELPA Informational Webinar helpful but not required (see Assessment Training Materials page, optional materials pulldown). 	<ul style="list-style-type: none"> Existing TAs: If the TA is a returning user from 2019-20, they must complete Module 8 - Interims: Remote Administration and Test Security. After providing evidence of completion the DTC may apply the “Interim” Test Group at any time. Existing TAs do not need to complete any additional pieces of training completed in 2019 – 20. New TAs: If an educator is being assigned the TA user role for the first time in 2020-21 or if they are an existing educator transferring from another district, they must complete the reading requirements in Table 5 of the Test Administration Manual and the ODE-provided training modules 2 – 4, and module 8 posted to the Assessment Training Materials webpage. 	<p>All TAs (Existing & New) must read:</p> <ul style="list-style-type: none"> Sections 1 - 4 of the Test Administration Manual, plus Sections 6 – 11 depending on the specific assessments that the TA will administer Appendix A of the Test Administration Manual The Oregon Accessibility Manual 2020-2021 ODE-provided training modules 2 – 4 posted to the Assessment Training Materials webpage Module 5 (required for TAs administering ELA or Mathematics assessments) Module 6 (required for TAs administering the Science assessment) Module 7 (required for TAs administering the ELPA Summative)

For any questions about training requirements prior to assigning Test Group permissions in TIDE, please contact your [Regional ESD Partner](#).
