

E-RATE CONSULTANTS LIST

Please Note: This list does not imply ODE endorsement of any individual or consulting firm. E-Rate Consultants are not regulated. Please follow your local procurement laws and do your own due diligence. This list is meant to help you as you begin your research process.

Consultants known to not be accepting new clients will not be included on this list.

If you are a consultant or work with a consulting firm and need to update, add, or remove information, email us at ODE.ERate@ode.oregon.gov. Thank you!
