Facilitator's Notes:

- 1) A blank box means the Organization did not recommend any changes or no comment was received by the deadline.
- 2) The last row of each section, "ODF 1-11-22," is a placeholder. ODF will respond on 1/10/22 to the RAC comments with its proposals track changed as it has done in the past.
- 3) We will discuss this document during our 1/13/22 RAC meeting. You will receive an Agenda on 1/11/22 with a detailed approach.
- 4) Thank you for your suggestions.

DIVISION 44

Wildland-Urban Interface and Statewide Wildfire Risk Mapping

629-044-1000

Purpose

- (1) The purpose of OAR 629-044-1000 to 629-044-1040 is to implement the provisions Chapter 592, Oregon Laws 2021, Section 7, 31-34.
- (2) The purpose of OAR 629-044-1010 to 629-044-1015 is to establish criteria by which the wildland-urban interface shall be identified and classified pursuant to ORS 477.027
- (3) The purpose of OAR 629-044-1020 to 629-044-1025 is to set forth the criteria by which a statewide wildfire risk map must be developed and maintained pursuant to Chapter 592, Oregon Laws 2021, Section 7.
- (4) The purpose of OAR 629-044-1030 is to set forth the process for notification to property owners pursuant to Chapter 592, Oregon Laws 2021, Section 7.
- (5) The purpose of OAR 629-044-1035 is to set forth the process of integrating public input into the statewide wildfire risk map pursuant to Chapter 592, Oregon Laws 2021, Section 7.
- (6) The purpose of OAR 629-044-1040 is to set forth a property owner may appeal the designation of wildfire risk pursuant to Chapter 592, Oregon Laws 2021, Section 7.
