

Oregon Board of Forestry – Public Field Tour

Thursday, April 28, 2022

Members of the public interested in participating in the field tour are encouraged to carpool and can access the itinerary within the week prior to the tour date. The field tour presentations and subsequent discussions will be recorded and posted on the department's YouTube page, <https://www.youtube.com/c/OregonDepartmentofForestry>, following the tour.

9 a.m. – 4 p.m. Board tour of fire-resilient communities, mitigation treatment sites, and examples of post-fire recovery. Upon conclusion of the tour, the Board will discuss take-a-ways. Each tour stop will include a panel of presentations and an opportunity for Board members to engage with the presenters.
