- (2) The firm does not have an office located in Oregon and performs attestation services for clients located in Oregon.

REMEMBER!

Requirement to Register with the Oregon Secretary of State [OAR 801-010-0345(4)(c)(H)]
CPA firms that are required to be registered under the rules of the Oregon Secretary of State, Corporation Division, must attach a printout of the current registration to the Firm Renewal application. You may print a copy of the firm record from the Corporation Division Web site, <http://www.filinginoregon.com>, or call the Corporation Division for information at 503-986-2200.

If registration with the Corporation Division is not currently active, the public accounting firm registration will not be issued. The Board will not register a firm name that is different than the name registered with the Oregon Corporation Division.

2 Commissions, Referral Fees and Contingent Fees

Indicate if the firm pays or receives compensation in the form of commissions, referral fees or contingent fees. [OAR 801-030-0005(3)]

All firms, whether located in Oregon or another jurisdiction, must disclose litigation actions that have not already been reported to the Board on the CPA Firm Renewal. If you are unsure about prior disclosures, check "yes" in the appropriate box and provide the information requested. For every "yes" response, attach factual documentation that includes the name of the court or regulatory body in which the action was filed, the date of filing, and description of the outcome.

Firms are required to provide notice to the Board as outlined below:

For the majority of firms, the acceptance letter and completion letter are one in the same. However, if a firm's peer review report is accepted with the understanding that the firm will complete a monitoring action such as obtaining CPE, submission of its next monitoring report, and a pre or post-issuance review, the firm will also receive a completion letter once all the items have been completed and accepted by the Peer Review Committee.
