

## SOCIAL SECURITY NUMBER

As part of your application for an initial certificate or license, or renewal of the same, issued by the Oregon Board of Accountancy, you are required to provide your Social Security Number to this agency. The authority for this requirement is Oregon Revised Statute (ORS) 25.785, ORS 305.385, 42 USC § 405(c)(2)(C)(i), and 42 USC § 666(a)(13) (Federal Law).

Failure to provide your Social Security Number will be a basis to refuse to issue or renew the certificate or license you seek. This record of your Social Security Number will be used for child support enforcement and tax administration purposes (including identification), unless you authorize other uses of the number.

Although a number other than your Social Security Number appears on the face of the certificate or license issued by the Oregon Board of Accountancy, your Social Security Number will remain on file with this agency.

By signing this form, you acknowledge the disclosure of your Social Security Number and its use by the Board of Accountancy for the purposes stated above.
