The license applicant below has filed their CCB license application as an exempt contractor, meaning it will not hire employees.

If the applicant decides to hire employees, the applicant understands that Oregon law requires it to:

1) Comply with workers’ compensation laws and maintain a workers’ compensation insurance policy as long as the applicant is an employer.

2) Notify the CCB of the change to its workers’ compensation status to nonexempt, BEFORE hiring any employees, by submitting a Change My Workers’ Compensation Status form, or changing its status in their Online Services account.

By signing this document, the applicant certifies that it will change their workers’ compensation status to nonexempt with CCB before hiring any employees. It will also provide the name of its workers’ compensation policy carrier and policy number. Notification occurs by submitting a Change My Workers’ Compensation Status form to CCB, or changing its status in their Online Services account. There is no fee to make this change.
