9:30 a.m.	<p>Code 0124 – Reforestation and Drivers</p> <p>SAIF Corporation presented wording regarding Code 0124 and Ecosystem Restoration. Code 0124 wording does not specifically address Ecosystem Restoration operations. SAIF Corporation provided proposed wording to be added to Code 0124 and applicable to Oregon only. In addition, proposed wording was presented for Code 0042 to clarify the treatment for Ecosystem Restoration.</p> <p>The wording is as follows:</p> <p><u>Code 0124: Ecosystem Restoration- Includes the restoration of ecosystems, natural habitats, natural growth areas, watersheds, riparian areas, wetlands, streams, and aquatic environments. Such work may include the planting of trees, shrubs, and natural grasses, the clearing of brush and weeds, and the removal or placement of soil and rocks. Such work may be accomplished manually or with mechanical equipment. Maintenance of these areas is also contemplated under class 0124.</u></p> <p><u>Code 0042: Oregon—Reforestation—Grass Planting & Drivers; applicable to landscape contractors that plant grass in reforested areas by hand or hydro mulch or similar method. All other methods of grass planting in reforested areas are classified to Code 0124. Restoration of ecosystems, natural</u></p>	<p>A motion was made, seconded, and passed by majority vote, and it was RESOLVED, that the proposed wording be adopted as presented.</p>

	<p><u>habitats, natural growth areas, watersheds, riparian areas, wetlands, streams, and aquatic environments is separately rated to Code 0124.</u></p>
