RE: Oregon Chiropractic Association, 2026 Legislative Concept

Dear Co-Chairs, Scott Strickland (Labor), Patrick Priest (Management) and members of the committee,

The Problem: Lack of access to timely, effective care for Oregon's injured workers within Oregon's Workers' Compensation System, as well as rising costs.

Proposal:

1. Remove time limitations for chiropractic physicians and naturopathic physicians to serve in the capacity of "attending physician."
2. Return current MCO provider panels from closed back to open (any willing provider) panels.

Sincerely,

Vern A. Saboe Jr., DC., DACAN., FICC., DABFP., DIANM
