NOTE: Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted.
New sections are in **boldfaced** type.

1 **the average weekly wage.**

2 **(b)** Notwithstanding the limitation imposed by this subsection, an injured
3 worker who is not otherwise eligible to receive an increase in benefits for
4 the fiscal year in which compensation is paid shall have the benefits in-
5 creased each fiscal year by the percentage which the applicable average
6 weekly wage has increased since the previous fiscal year.

7 (2)(a) For the purpose of this section, the weekly wage of workers shall
8 be *[ascertained]* **calculated**:

9 (A) For workers employed in one job at the time of injury, by multiplying
10 the daily wage the worker was receiving by the number of days per week
11 that the worker was regularly employed; or

12 (B) For workers employed in more than one job at the time of injury, by
13 adding all earnings the worker was receiving from all subject employment.

14 (b) Notwithstanding paragraph (a)(B) of this subsection, the weekly wage
15 calculated under paragraph (a)(A) of this subsection shall be used for work-
16 ers employed in more than one job at the time of injury unless the insurer,
17 self-insured employer or assigned claims agent for a noncomplying employer
18 receives:

19 (A) Within 30 days of receipt of the initial claim, notice that the worker
20 was employed in more than one job with a subject employer at the time of
21 injury; and

22 (B) Within 60 days of the date of mailing a request for verification, veri-
23 fiable documentation of wages from such additional employment.

24 (c) Notwithstanding ORS 656.005 (7)(c), an injury to a worker employed
25 in more than one job at the time of injury is not disabling if no temporary
26 disability benefits are payable for time lost from the job at injury. Claim
27 costs incurred as a result of supplemental temporary disability benefits paid
28 as provided in subsection (5) of this section may not be included in any data
29 used for ratemaking or individual employer rating or dividend calculations
30 by an insurer, a rating organization licensed pursuant to ORS chapter 737,
31 the State Accident Insurance Fund Corporation or the Department of Con-

1 sumer and Business Services if the injured worker is not eligible for perma-
2 nent disability benefits or temporary disability benefits for time lost from the
3 job at injury.

4 (d) For the purpose of this section:

5 (A) The benefits of a worker who incurs an injury shall be based on the
6 wage of the worker at the time of injury.

7 (B) The benefits of a worker who incurs an occupational disease shall be
8 based on the wage of the worker at the time there is medical verification
9 that the worker is unable to work because of the disability caused by the
10 occupational disease. If the worker is not working at the time that there is
11 medical verification that the worker is unable to work because of the disa-
12 bility caused by the occupational disease, the benefits shall be based on the
13 wage of the worker at the worker's last regular employment.

14 (e) As used in this subsection, "regularly employed" means actual em-
15 ployment or availability for such employment. For workers not regularly
16 employed and for workers with no remuneration or whose remuneration is
17 not based solely upon daily or weekly wages, the Director of the Department
18 of Consumer and Business Services, by rule, may prescribe methods for es-
19 tablishing the worker's weekly wage.

20 (3) No disability payment is recoverable for temporary total or partial
21 disability suffered during the first three calendar days after the worker
22 leaves work or loses wages as a result of the compensable injury unless the
23 worker is totally disabled after the injury and the total disability continues
24 for a period of 14 consecutive days or unless the worker is admitted as an
25 inpatient to a hospital within 14 days of the first onset of total disability.
26 If the worker leaves work or loses wages on the day of the injury due to the
27 injury, that day shall be considered the first day of the three-day period.

28 (4) When an injured worker with an accepted disabling compensable in-
29 jury is required to leave work to receive compensable medical services for
30 the compensable injury, the worker shall receive temporary disability bene-
31 fits calculated pursuant to ORS 656.212 for the period during which the

1 worker is absent, until such time as the worker is determined to be medically
2 stationary. However, benefits under this subsection are not payable if wages
3 are paid for the period of absence by the employer. An insurer may require
4 a worker to confirm the period during which the worker is absent from work
5 to receive compensable medical services under this subsection. The notice
6 requirement under ORS 656.262 (4)(j) does not apply to temporary disability
7 benefits paid pursuant to this subsection.

8 (5)(a) The insurer of the employer at injury or the self-insured employer
9 at injury, may elect to be responsible for payment of supplemental temporary
10 disability benefits to a worker employed in more than one job at the time
11 of injury. In accordance with rules adopted by the director, if the worker's
12 weekly wage is determined under subsection (2)(a)(B) of this section, the
13 insurer or self-insured employer shall be reimbursed from the Workers' Ben-
14 efit Fund for the amount of temporary disability benefits paid that exceeds
15 the amount payable pursuant to subsection (2)(a)(A) of this section had the
16 worker been employed in only one job at the time of injury. Such re-
17 imbursement shall include an administrative fee payable to the insurer or
18 self-insured employer pursuant to rules adopted by the director.

19 (b) If the insurer or self-insured employer elects not to pay the supple-
20 mental temporary disability benefits for a worker employed in more than one
21 job at the time of injury, the director shall either administer and pay the
22 supplemental benefits directly or shall assign responsibility to administer
23 and process the payment to a paying agent selected by the director.

24 (6) The director shall adopt rules for the payment and reimbursement of
25 supplemental temporary disability benefits under this section.

26 **SECTION 2. The amendments to ORS 656.210 by section 1 of this**
27 **2026 Act apply to claims for temporary total disability compensation**
28 **for injuries sustained or diseases incurred on or after January 1, 2027.**
