Department of Human Services
Self Sufficiency

JANUARY 2017

NOTE: In order to deal with an overlap in monthly data reporting between TANF and the after-TANF benefit known as Employment Payments, TANF caseload counts have been revised, starting in May 2016. In any month where an Employment Payment has been authorized, the TANF case has been removed from the caseload count. This eliminates the possibility of duplicate counting between the two programs.
