Make plans to attend the DHS Child Welfare Action Plan Community Forum for Coos and Curry County.

You are invited to provide input to the Oregon Department of Human Services (DHS) on Oregon’s foster care system. DHS would like to hear directly from the people and communities it serves.

The community forum will include:
- Updates from DHS leadership
- In-depth roundtable discussions to provide solutions to child safety barriers
- Opportunity to network and ask questions of DHS leadership and staff

These listening tours have proven to be valuable and have already happened in these locations:
- Bend - Wednesday, January 3
- Oregon City - Tuesday, January 16
- Beaverton - Thursday, January 18
- Roseburg - Wednesday, January 24
- Klamath Falls - Thursday, January 25
- La Grande - Thursday, February 1

Your participation is extremely valuable to us as we move forward. Join us February 27, 2018 in North Bend. Forums will be held in additional communities in March. DHS will publicize them as the dates get closer.
