Aging and People with Disabilities (APD) Office (Branch 3411) in Hillsboro has Moved

(Hillsboro, Oregon)—In an effort to continue providing excellent customer service to the people of Washington County, on January 20, 2015, the Hillsboro APD Office (133 SE Second) has relocated their staff to 5240 NE Elam Young Parkway, Suite 200, Hillsboro 97124. The main telephone number: 971-673-5100. The main fax number: 503-693-6815.

This office serves both seniors and younger people with disabilities. The office also houses Adult Foster Home licensors, Adult Protective Services, and Transition/Diversion staff, who provide services to all of Washington County.

We are making every effort to make this a seamless transition, and believe this will be a more accessible location for service delivery. This new location will also offer customers better access to public transportation options, and more accessible parking.

Benefits will NOT be affected by this move. We are deeply committed to the clients we serve in Washington County and are asking them to note these changes and call their DHS worker if they have any questions.
