

Department Approved Training Courses

This list is furnished by the Department of Human Services, Office of Developmental Disabilities Services, to assist employment service providers to identify authorized training curriculum to meet the standards outlined in the [Employment Rule 411-345](#) for obtaining Supported Employment Competency Based Training.

Included in the data is the Organization who hosts the training, the Course Title, the Hours attributed to the course (as published in each organization's training listing), and the Format in which the training is available.

Courses that are ACRE or APSE certified will typically be approved by ODDS and count towards continuing education credits (CEC). Additionally, employment related trainings that are state sponsored will typically be approved for CECs. If you are unsure if a training qualifies for CECs, send an email to employmenttraining.review@dhsosha.state.or.us.

*Please note some courses may have prerequisites not listed, including coursework and/or experience. **Please consult with the issuing agency regarding course availability and any prerequisites. This is not an exclusive list of every course offered by these providers.***

Department Approved Discovery Training

Policy Transmittal [ADP-PT-14-029](#) issued 9/12/2014, outlined qualifications for employment professionals who provide Discovery. Approved Discovery trainings are listed below. Please also consider that anyone who has obtained a Department Approved Credential, such as ACRE, APSE CESP, or equivalents, are deemed qualified to deliver the service of Discovery.

Provider	Program/Course Name
Oregon Employment Learning Network (OELN)	Introduction/History of Supported Employment, Discovery, and Employment Planning
Griffin-Hammis Associates	Discovering Personal Genius
Marc Gold and Associates	Discovery
Virginia Commonwealth University	Supported Employment Web-Based Certification
Training Resource Network (TRN)	Career Development (Using Principles of Discovery & Career Enhancement)
Michael Callahan	Customized Employment/Discovery/Systematic Instruction
OTAC	Person Centered Planning for Community Employment
Griffin-Hammis Associates offered through the Relias Academy	<i><u>Creating Community Careers: Customized Employment Part 1-5 (All 5 sessions must be taken)</u></i>

The Discovery training should meet the following requirements:

- The training topic/curriculum should directly relate to conducting and documenting, through the use of developing a Discovery Profile, the Discovery process. The content should address the concept of

discovery, person centered employment planning approaches, community-based assessments, and career exploration.

- Training may be obtained online or in person sessions. The supported employment professional delivering the direct services should be the recipient of the training.
- Training should be provided by an instructor/entity using a curriculum consistent with the core competencies and standards for Discovery established by DHS.
