HCBS Compliance Timeline

Now -
December 2016

- **Providers** receive education and assistance on HCBS compliance plans.
- **Individuals** receiving services begin seeing benefits as providers implement HCBS plans.

January 2017-
August 2017

- **Providers** plans are tracked by Licensors for measurable progress. Individually-Based Limitations are rolled out.
- **Individuals** receiving services see more HCBS qualities and benefits as progress is made. Any limitations are formalized with individual consent.

Just the Facts: HCBS Rule Updates

September
2017 - August
2018

- **Providers** are in compliance with HCBS. Those providers not in compliance will receive a warning letter telling them they must be in full compliance by September 2018 or their site will be closed.
- **Individuals** receiving services experiencing HCBS benefits increasingly as deadline nears.

September
2018 -
February 2019

- **Providers** not in full compliance with HCBS may not admit new residents. Providers receive closure notices by Sept. 1, 2018.
- **Individuals** receiving services are offered voluntary move-out assistance up to January when final 30-day involuntary move out notices will occur for any remaining HCBS non-compliant settings.

**All HCBS Non-Compliant Licensed or Certified Settings
will be closed by February 28, 2019.**
