

Every good conversation starts with good listening.

We want to hear from Oregonians who experience disabilities!

Oregon's **State Independent Living Council** and **Network of Centers for Independent Living** (CILs) are responsible to help prepare a statewide plan for Independent Living services.

These services help people with disabilities find **information and resources**, and achieve their goals through **peer mentoring**.

What we learn will help us improve our state plan and **better advocate for the needs of people with disabilities**.

Please take our brief survey! The survey is open until July 30.

Either click on the following link or type it into your browser.

<https://www.surveymzmo.com/s3/4372224/2018-Needs-Assessment-Project>

Need an alternate way to take the survey?

Contact the State Independent Living Council for surveys by phone or other formats. 503-945-7015 or e-mail to oregon.silc@state.or.us.
