#### **411-031-0040 Consumer-Employed Provider Program** *(Amended 03/01/2023)*

The Consumer-Employed Provider Program contains systems and payment structure for consumers to employ care providers to meet their assessed ADL and IADL needs. The structure assumes a provider is required for ADLs and IADLs during specific periods of time. Except as indicated, the criteria in this rule apply to workers called Homecare Workers:

A homecare worker is not permitted to be a representative (see [OAR 411-031-0020](#)) or make service plan related decisions for a consumer-employer for whom the homecare worker currently provides paid services.

(2) **HOMECARE WORKER JOB DESCRIPTIONS.** A consumer-employer or consumer-employer's representative is responsible for creating and maintaining a job description for a potential provider consistent with the services authorized by the consumer's case manager. Only service needs and tasks authorized by the Department shall be paid. The Department does not pay for natural support.

(3) **HOMECARE WORKER BENEFITS.** Benefits are determined and offered by an outside trust. The Department does not provide benefits directly to homecare workers. Homecare workers are not state employees.

(4) **CONSUMER-EMPLOYER ABSENCES.** Services from a homecare worker must be prior authorized when a consumer-employer is hospitalized. Services from a homecare worker are not authorized when a consumer-employer is receiving treatment in a mental health, substance abuse treatment facility or any licensed 24-hour care setting. Services from a homecare worker are not authorized for payment when a consumer-employer is incarcerated.

(5) **SELECTION OF HOMECARE WORKER.** A consumer-employer or consumer-employer's representative carries primary responsibility for locating, interviewing, screening, and hiring their own employees. The Department or AAA office determines whether a potential homecare worker may be enrolled and paid for by the Department.

(6) **EMPLOYMENT AGREEMENT.** A consumer-employer or consumer-employer's representative establishes an employer-employee relationship with a person at any time after the homecare workers Employment Eligibility Verification form (Form I-9) from the Department of Homeland Security, U.S. Citizenship and Immigration Services have been completed, identification photocopied, and the homecare worker has received authorization to work from the Department. A homecare worker cannot start work and will not receive payment for services performed until after the Department has verified that a person meets the provider enrollment standards described in section (8) of this rule, has an active provider

enrollment number and the Department has notified both the employer and homecare worker in writing that payment by the Department is authorized.

(7) TERMS OF EMPLOYMENT. A consumer-employer or consumer-employer's representative must establish terms of an employment relationship with an employee at the time of hire. The terms of employment may include work scheduling, absence reporting, and the specific tasks authorized on the employee's task list. Termination of the employment relationship and the grounds for termination of employment are determined by a consumer-employer or consumer-employer's representative. #### (10) FISCAL ACCOUNTABILITY.

The payment is considered full payment for the services rendered. A homecare worker must not demand nor receive additional payment for any services from a consumer-employer or any other source. Additional payment to homecare workers for the

same services covered by the Department is prohibited. Homecare workers will use Electronic Visit Verification (EVV) through the Oregon Provider Time Capture Direct Care Innovations (OR PTC DCI) system for real time recording of hours and tasks provided to a consumer-employer during the workday, workweek and service periods.

(b) **TIMELY SUBMISSION OF CLAIMS.** In accordance with federal Medicaid regulations and the Collective Bargaining Agreement, all claims for services must be submitted within 365 days from the first date of service listed on the claim. The Department of Consumer and Business Services sets the Workers' Benefit Fund assessment rate for each calendar year. The Department calculates the hours rounded up to the nearest whole hour and deducts an amount rounded up to the nearest cent. Acting on behalf of the consumer-employer, the Department --

(i) Deducts a homecare worker-employees' share of the Benefit Fund assessment rate for each hour or partial hour worked by each paid homecare worker;

The homecare worker must possess a valid license to drive and current, valid motor vehicle insurance and meet all homecare worker duties under Article 14 Section 9 of the Collective Bargaining Agreement.

(c) When a homecare worker uses the homecare worker's own vehicle to travel directly between two consumer-employers the Department shall determine the time needed for a homecare worker to travel directly based on a time estimate published in a common, publicly-available, web-based mapping program. The homecare worker must possess and provide proof of a valid license to drive and current, valid motor vehicle insurance.

(d) When a homecare worker uses public transportation to travel directly between two consumer-employers, payment for travel time shall be based on the homecare workers actual time in transit or the public transportation providers' scheduled pick-up and drop-off times for the stops nearest the consumer-employers' homes or care settings.

(e) When a homecare worker uses non-motorized transportation to travel directly, payment for travel time shall be based on a time estimate published in a common, publicly-available, web-based mapping program.

(B) PROVIDER ERROR OVERPAYMENT. The Department overpays the homecare worker due to a misunderstanding or unintentional error.

(C) FRAUD OVERPAYMENT. For this rule, "Fraud" means taking actions that may result in receiving a benefit in excess of the correct amount, whether by intentional deception, misrepresentation, or failure to account for payments or money received. "Fraud" also means spending payments or money the homecare worker was not entitled to and any act that constitutes fraud under applicable federal or state law (including 42 CFR 455.2). The Department determines, based on a preponderance of the evidence, when fraud has resulted in an overpayment. The Department of Justice, Medicaid Fraud Control Unit determines when to pursue a Medicaid fraud allegation for prosecution.

(b) Overpayments are recovered as follows:

(A) Overpayments are collected prior to garnishments, such as child support, Internal Revenue Service back taxes, or educational loans.

(B) Administrative or provider error overpayments are collected at no more than 5 percent of the homecare worker's gross wages.

(C) The Department determines when a fraud overpayment has occurred and the manner and amount to be recovered; or
