Property Tax Deferral for Disabled and Senior Citizens

As a disabled or senior citizen, you can borrow from the State of Oregon to pay your property taxes to the county.

How does the program work?

If you qualify for the program, the Oregon Department of Revenue will pay your county property taxes on November 15 of each year.

A lien will be placed on your property and we will become a security interest holder. Upon disqualification or cancellation from the program, the following must be repaid in full before the lien or security interest on the property will be released:

- Your property taxes that have been paid by Department of Revenue.
- The accrued interest (6 percent annually).
- The cost of recording and releasing the lien.
- A \$55.00 filing fee on manufactured structures.

How is the value of the lien on my property determined?

The lien amount is an estimate of future taxes to be paid and interest to be charged based on your current tax and life expectancy tables.

Who qualifies?

By April 15, you must apply and meet all of the following requirements.

1. You must be either:
 - 62 years old or older, or
 - Disabled and receiving or eligible to receive federal Social Security Disability benefits.
2. You must own or be buying the property, and have a recorded deed or sales contract in your name. Property held under an irrevocable trust or as a life estate isn't eligible for the deferral program.
3. You must have **both owned and lived** on

the property for at least five years. If you lived away from the property due to medical reasons, you must attach a medical statement **on letterhead** from your healthcare provider. The letter must state that you are required to be away from the home for health-related reasons.

4. If you haven't lived in and owned your home for five years, you may still qualify for the program if you downsized. You must meet the following criteria:
 - **Your previous home was in the Property Tax Deferral program.**
 - The new home must have a lower real market value (RMV).
 - You must sell the old home and purchase the new home within a 1-year time frame.
 - You must not finance more than 80 percent of the purchase price of the new home.
 - You must satisfy the deferral lien on the prior homestead.
If you meet these criteria, contact us and we will send you a supplemental worksheet.
5. You must have homeowners insurance that covers fire and other casualty.
6. Your household income must not exceed the annual limit (2019 limit is \$45,500). Household income includes all taxable and non-taxable income of the applicant(s) and their spouse(s) that reside in the home for the prior calendar year.
7. Your net worth is less than \$500,000. This doesn't include the value of the home under the Property Tax Deferral program or personal property.
8. Either:
 - You don't have a reverse mortgage, or
 - You were on the Property Tax Deferral program with a reverse mortgage prior to 2011.

Joint owners

If you own the property with someone else, **all** owners must apply jointly and meet all the qualifications. These requirements don't apply to joint owners who are married. The spouse isn't required to apply, but must qualify for the program if they do apply. If one of the spouses chooses not to apply for the program, but then the active spouse on the program dies, the surviving spouses will need to reapply with a surviving spouse application to qualify and continue on the program.

Disabled applicants must provide a copy of their federal social security disability award letter. Additional owner(s) are still required to apply, but are not required to be disabled, or meet age requirements.

Can I add someone to the deed or title?

Contact us if you would like to add someone to the deed or title of the property while you're in the deferral program. Adding someone other than your spouse or registered domestic partner may cause your property to be disqualified

Do I qualify if I owe delinquent taxes?

Yes, you may have current and future taxes deferred, but you'll still be responsible to pay any delinquent taxes and interest to your county.

Can my delinquent property taxes be paid under deferral?

If you qualify for deferral, you may apply for a *Delay of Foreclosure* with your county for your delinquent county taxes. A *Delay of Foreclosure* may only be used for real property taxes. It doesn't apply to taxes on floating homes and manufactured structures, that are considered personal property. If approved by the county the *Delay of Foreclosure* prevents the county from foreclosing while you're under the Property Tax Deferral program. It doesn't prevent your mortgage company from foreclosing.

What if I have a mortgage?

You'll need to inform your mortgage company that the State of Oregon will be paying your property taxes. If your mortgage company holds funds to pay the taxes (escrow account), you will need to send them a copy of your deferral approval letter with a letter requesting that the escrow account not pay the property tax (ORS 311.676).

Real market value (RMV) limitation

Your home must be under the RMV limitation for your county. The limitation is based on the median value of residential homes in your county and the number of years you have continually owned and lived in the home (the lesser of the two).

The county median RMV is determined by the county assessor's office each year. To view the RMV by county, visit www.oregon.gov/dor/deferral.

The prior year's RMV of your home (as shown on your 2018–19 tax statement) is used to determine if you meet this qualification.

Homestead in multiunit building

If the homestead is a multiunit building, the program will only defer taxes on the portion of the home being used as the principal residence.

May I have property tax deferral and a veteran's exemption?

Yes; see *Disabled Veteran or Surviving Spouse Property Tax Exemption* for more information at www.oregon.gov/dor/forms.

Do I need to apply for deferral each year?

No, but every two years after you're approved, you'll need to certify that you still meet all of the qualifications. When it's time to recertify, we'll send you a recertification application.

What is the difference between inactivation and disqualification?

A person is **inactivated** from the deferral program if they fail to recertify when requested or they no longer meet program eligibility requirements. The loan balance **doesn't** become due at that time. The property owner is then responsible for paying the property tax.

An inactivated person may be able to reinstate their account by reapplying for the program. Applications are accepted January 1 through April 15 each year.

A person is **disqualified** from the deferral program if they move, change home ownership, or die. The disqualified person is removed from the deferral program and the loan balance is due. A person that has been disqualified can only be reinstated if they pay off the prior lien balance in full.

Can payments be made on the account?

Yes. You may pay all or part of your deferral account and continue to defer current and future property taxes. Others (relatives or friends) may also make payments on your account. Third party payments maybe objected to in writing. If your account is inactive, the lien will be released from your property when the account is paid in full.

Make your payments to Department of Revenue. **Payments are applied first to accrued interest, then to past deferred taxes, and then to fees.**

How do I cancel?

To cancel is to voluntarily quit the deferral program. You'll need to submit a *Deferral Cancel Statement* to us, available at www.oregon.gov/dor/forms. Once your account is cancelled, you'll be responsible for paying your property taxes. However, if you cancel between September 1 and November 15, we will pay this year's taxes. We won't release the lien until the deferral tax amount is paid back.

Disqualifying events (ORS 311.684)

When any of the following events occur, your

account will be disqualified, and you must pay the deferred taxes, plus 6 percent interest, and fees by August 15 of the following calendar year:

- The property is sold **or** changes ownership.
Example: You add your children to the deed.
- The applicant moves permanently from the property for non-medical reasons.
- The applicant dies.
- The property is moved out-of-state (manufactured structures or floating homes). When this occurs, the total balance becomes due five days prior to the move.

What is a transferee?

A transferee is anyone who inherits or receives any benefits from the property. We will collect the existing loan balance from them.

Important dates

July 1—Liens attach to the newly-approved properties.

August 31—Last day to notify us that you don't want us to pay your property taxes.

November 15—Property taxes are paid to the county.

Application to _____ County, Oregon
 to Delay Foreclosure of Real Property
 Taxes on Deferred Homesteads

County use only
Date received

What is a Delay of Foreclosure?

- If you owe delinquent property taxes to the county, a Delay of Foreclosure prevents the county from foreclosing on your home and will remove your property from the county's foreclosure listing while you're on the deferral program (ORS 311.691). It doesn't remove delinquent property tax debt or accrued interest that you owe to the county. When you receive approval for the Delay of Foreclosure, any delinquent property tax debt remains and will continue to accrue county interest at the rate of 1.333 percent per month (16 percent yearly). A Delay of Foreclosure will not protect you from mortgage foreclosure.
- You may apply to the county assessor for the Delay of Foreclosure after your application for property tax deferral is approved by the Oregon Department of Revenue (ORS 311.693).
- The Delay of Foreclosure covers taxes on your homestead that were delinquent prior to any year paid under the deferral program up until the time that the Delay of

Foreclosure application is submitted and approved by the county.

- If you're approved for deferral, then fail to meet eligibility for continued deferral in any year and your account is inactivated, you're responsible for property taxes to the county for that year. Failure to pay those taxes to the county will result in delinquent taxes that won't be covered by this Delay of Foreclosure.
- When any of the following events occur, you will be disqualified from the deferral program, the Delay of Foreclosure will end, and the delinquent taxes become due to the county by August 15 of the next calendar year:
 - The property is sold or changes ownership.
 - The applicant moves from the property for non-medical reasons.
 - The applicant dies.
