Instructions for Form OR-531 – Oregon Unlicensed Tobacco Quarterly Tax Return

General information

Any individual or business who purchased untaxed tobacco products, either over the internet, by phone, by mail order, or from some other source, whether for personal use or resale, is responsible for paying the tax. For every calendar quarter you purchase any untaxed tobacco products, you must file a return, including all schedules, by the last day of the month following each quarterly reporting period. Quarterly returns are due on or before the last day of January, April, July, and October. Tax payment must be sent with the return.

Tobacco products don't include cigarettes. Untaxed cigarettes are reported on Form OR-514.

What is the applicable law? This publication isn't a complete statement of Oregon laws. For more information, refer to Oregon Revised Statutes (ORS) 323.500 through 323.995.

Oregon tobacco products tax rates

The tobacco products tax rate is 65 percent of the wholesale sales price on all tobacco products except moist snuff and cigars. The moist snuff rate is the greater of \$1.78 per ounce or \$2.14 per retail container. The cigar rate is the lower of 65 percent of the wholesale sales price or \$0.50 per single cigar.

What is moist snuff?

Moist snuff is taxed by weight. **Moist snuff definition A** includes any finely cut, ground, milled, or powdered tobacco product that isn't intended to be smoked or placed in the nasal cavity.

Moist snuff definition B includes other products containing tobacco that aren't intended to be consumed by burning. [See Oregon Administrative Rule (OAR) 150-323.500(9) for examples.]
