I certify that I represent the estate named above. I elect a final tax determination for the income tax returns and years listed below that have been filed during the period of estate administration [Oregon Revised Statute (ORS) 316.387]. A copy of the inventory of probated and nonprobated assets of the decedent's gross estate included with the decedent's final return, first fiduciary return, or with this election form if a return is not required to be filed.

I understand the department may issue a notice of deficiency, within 18 months after the filing of this election (ORS 305.265). I further understand that if the department fails to issue a notice of deficiency within the 18 month period, the statute of limitations for the returns covered by this election will expire, unless the department finds that: (a) gross income equal to 25 percent or more of the gross income reported has been omitted from a return; (b) false or fraudulent returns were filed; (c) no returns were filed, but returns were required to be filed; or (d) if the department receives a correction to the decedent's or decedent's estate income tax from the Commissioner of the Internal Revenue Service.

I understand the department won't reply to this election, except by issuing a notice of deficiency, and that I may choose to close the estate administration at the earliest date allowed, even though the period for issuing a notice of deficiency hasn't expired. I also understand that if the estate is closed and the assets distributed prior to the expiration of the time for giving a notice of deficiency, and the department then issues a notice of deficiency, the transferees of the estate's money or property are liable for the tax liability.

I certify that I represent the decedent in a fiduciary capacity as personal representative, administrator, trustee, or other fiduciary title. I have included a copy of the document showing my appointment.

I understand that this discharge becomes effective:

- After the filing of the decedent's final tax return or any tax returns required to be filed, and the payment of any tax of which I am notified; or
• Nine months after receipt of this application by the Oregon Department of Revenue, and during which time no notification of tax liability is made.

I understand that a discharge doesn't discharge me from liability to the extent that assets of the decedent's estate are still in my possession or control (ORS 316.387).
