Instructions for Oregon Marijuana Tax Monthly Payment Voucher

General information

Licensed marijuana retailers must collect the marijuana tax at point of sale and remit it to the Department of Revenue. The tax is imposed on recreational marijuana products. All sellers of recreational marijuana products are required to remit the tax by the last day of the month following the month in which it was collected.

Account number

You may include any of these in this field:

- Oregon business identification number (BIN).
- Department of Revenue marijuana tax account number.
- OLCC license number, beginning with 050-.

If you sell recreational marijuana products in more than one location, you must have a separate number, make separate payments, and file separate returns for each location.

State tax rate

ORS 475B.705 designates eight categories of marijuana products. All products are taxed at a rate of 17 percent.

Calculating the Tax

You can go to Revenue Online (ROL) to help calculate your payment at www.oregon.gov/dor. If you're a licensed retailer, ROL can also produce a completed payment voucher.

Physical site address

List the physical (street) address of the location in which the business sold recreational marijuana products.

Tax due calculation

Line 1. Enter the total retail sales for recreational marijuana products sold during the reported month. Total retail sales are all amounts paid by a person for the purchase of recreational marijuana products in Oregon, other than taxes.

Line 3. Enter the total state tax you collected by multiplying lines 1 and 2.

Line 5. Calculate your administrative fee by multiplying the total tax collected by 0.02.

Line 6. Subtract line 5 from line 3.

Local tax due calculation

For businesses paying local tax to the Department of Revenue:

Line 7. Enter the tax rate for your locality, using the table at www.oregon.gov/dor. Click on businesses and then marijuana tax.

Line 8. Enter the total local tax you collected by multiplying lines 1 and 8.

Line 9. Enter the administrative fee for your locality, using the table at www.oregon.gov/dor. Click on businesses and then marijuana tax. The fee is usually zero.

Line 10. Calculate your local administrative fee, if applicable, by multiplying lines 8 and 9.

Line 11. Subtract line 10 from line 8.

Total tax due

Line 12. The total tax due on this line should match what is reported on your marijuana tax return.
