Electronic filing

E-filing is the fastest way to file your return and receive your refund. The speed and accuracy of computers allow electronic returns to be received and processed faster than paper returns, greatly reducing errors and delays. E-filing uses secure technology to ensure the safety of your personal information when it's sent to the IRS and the Department of Revenue.

Oregon participates in the IRS Federal/State E-file program. This program allows you to electronically file both your federal and Oregon returns at the same time. If you've already filed your federal return, you can still electronically file your Oregon return.

If you haven't tried e-file yet, why not this year? Join more than 1.8 million other Oregon taxpayers who electronically file their Oregon returns.

You can take advantage of e-file in one of two ways:

- 1. Ask your tax preparer.**

If your tax preparer is an authorized IRS e-file provider, your preparer can electronically file your federal and Oregon returns. Many Tax-Aide and Tax Counseling for the Elderly (TCE) sites set up by the IRS are authorized IRS e-file providers.

- 2. Use online tax preparation software.**

You can file your federal and state returns from your home, work, or library computer using Oregon-approved online tax preparation products. Go to our website at www.oregon.gov/dor/e-filing for a list of tax preparation products to use in preparing your federal and Oregon returns.

You may be eligible for free e-file. Several tax preparation software providers offer free online electronic tax filing. For free online tax preparation programs, go to www.oregon.gov/dor/e-filing.

New information

Due Date Extension. The Oregon tax filing and payment deadline has been extended from April 15, 2020 to July 15, 2020 by Director's Order 20-01. Interest and penalties to your Oregon tax filings and payments extended by this order will begin to accrue on July 16, 2020.

Federal tax liability subtraction. The 2019 federal tax subtraction limit is \$6,800 (\$3,400 for married filing separately). It may be limited further based on your AGI. See the instructions for line 40.

First-time home buyer savings account (FTHBSA). As of January 1, 2019, you're able to save toward the purchase of your first home in a tax-favored account. Contributions to the account and earnings can be claimed as a subtraction on Schedule OR-ASC-NP. For limitations and other information, see "Subtractions" in Publication OR-17.

Kicker credit. Oregon's surplus credit, known as the "kicker," will be claimed as a credit on your 2019 tax return. See the instructions for Form OR-40-N, line 60 or Form OR-40-P, line 59.

Oregon Form OR-W-4. Because of recent changes to federal Forms W-4 and W-4P, Oregon has a separate withholding statement for state personal income tax withholding. The new federal Form W-4, submitted to employers after January 1, 2020, can't be used to determine Oregon withholding. Go to www.oregon.gov/dor to learn more about Oregon income tax withholding and Form OR-W-4.

Oregon College and MFS 529 Savings Plans and ABLE account limits. Contribution limits have increased to \$4,865 for taxpayers filing joint returns and \$2,435 for all others. **Contributions had to be made by the end of tax year 2019 to qualify for this subtraction.** For more information, see "Subtractions" in Publication OR-17.

Tuition and fees deduction. Congress has extended this deduction for tax years 2018 through 2020. See the

instructions for Form OR-40-N or OR-40-P, line 22, and the instructions for Schedule OR-ASC-NP.

Federal tax law

No extension to pay. Oregon doesn't allow an extension of time to pay your tax, even if the IRS allows an extension. Your 2019 Oregon tax is due **July 15, 2020**.

Federal law connection. Oregon has a rolling tie to changes made to the definition of federal taxable income, with the exceptions noted below. For all other purposes, Oregon is tied to federal income tax laws as amended and in effect on December 31, 2018.

Oregon exceptions to federal law. Oregon is disconnected from the business income deduction allowed by **Section 199A** of the Internal Revenue Code (IRC). Due to the way Oregon's returns are designed, no addition is required. Oregon is also disconnected from **IRC Section 139A**, the tax exemption for federal subsidies for employer prescription drug plans. If you have this type of business income, you'll have an addition on your Oregon return.

Important reminders

Revenue Online. Revenue Online provides convenient, secure access to tools for managing your Oregon tax account. To set up your Revenue Online account, go to www.oregon.gov/dor and click on "Revenue Online."

Federal return. You must include a copy of your federal Form 1040 or 1040-SR with Schedules 1 through 3 (if applicable), 1040-X, 1040-NR, or 1040-NR-EZ with your Oregon return. Without this information, we may disallow or adjust items claimed on your Oregon return.

Schedule OR-ASC-NP. If you're claiming an adjustment, addition, subtraction, modification, or credit using a code listed in Publication OR-CODES, you must include Schedule OR-ASC-NP. Without this information, we may disallow or adjust your claim.

Publication OR-17. See Publication OR-17 for more information about filing and personal income tax laws. It is available at www.oregon.gov/dor/forms.

General information

Do I need to file an Oregon return?

You need to file an Oregon income tax return if your Oregon-source income and income received while an Oregon resident is more than your standard deduction.

If your Oregon income is less than your standard deduction, you're not required to file a return for Oregon.

However, you must file an Oregon return if:

- You had \$1 or more of Oregon income tax withheld from your wages and you want to claim a refund.
- You want to claim the kicker credit, even if you otherwise don't need to file an Oregon return.

Full-year residents. Oregon taxes your income from all sources.

Part-year residents. Oregon taxes your income from all sources earned or received while you were an Oregon resident. Oregon also taxes your income from Oregon sources while you were a nonresident.

Nonresidents. Oregon taxes only your income from Oregon sources.

Nonresident trusts. If you file federal Form 1040-NR for a trust, you must file Oregon's Form OR-41, *Oregon Fiduciary Income Tax* return. Don't file an Oregon Form OR-40-N.

Filing thresholds

Table 1. Filing thresholds

You must file an Oregon income tax return if:	
Your filing status is—	And your Oregon gross income is more than—
Can be claimed on another's return	\$1,100*
Single	\$2,270
Married filing jointly	\$4,545
Married filing separately	
• If spouse claims standard deduction	\$2,270
• If spouse itemizes deductions	-0-
Head of household	\$3,655
Qualifying widow(er)	\$4,545

*The larger of \$1,100, or your earned income plus \$350, up to the standard deduction amount for your filing status.

How long will it take to get my refund?

Return processing times vary due to many factors, including the complexity of your return.

Electronically filed returns are generally received and processed faster.

Paper returns must have all required Oregon schedules, proof of tax withheld, and a copy of your federal return included to ensure smooth processing. If you don't have a federal filing requirement, create a substitute return and check the "calculated using 'as-if' federal return" box on your return.

Returns mailed closer to July 15, when we receive the most returns, can take longer to process.

Also, returns that require additional review can take more time to process. Typical reasons for additional review include: incomplete documentation, identity verification needed, claiming the working family household and dependent care credit, proof of tax withheld, etc.

To check the status of your refund, click on "Where's my refund?" at www.oregon.gov/dor/personal.

What does income from Oregon sources include?

Oregon income includes income shown on your federal return for services performed in Oregon.

If you have wages from an Oregon employer and you performed services for your employer in Oregon and another state while you were a nonresident, and your Oregon wages aren't stated separately on your Form W-2, compute your Oregon-source income using the formula for line 7S.

Other Oregon sources of income (and losses) include:

- Businesses, partnerships, limited liability companies taxed as partnerships, and S corporations located or doing business in Oregon or providing services to Oregonians.
- Unemployment compensation received because of an Oregon job.
- Severance pay received because of an Oregon job.
- Farms located in Oregon.
- Estates and trusts in Oregon or that have Oregon property or businesses.
- Oregon State Lottery.
- Sale of Oregon property.
- Rents and royalties for use of Oregon property.

- Community property. If you're a resident of Oregon and your spouse is a resident of a state with community property laws, you may be taxed on part of your spouse's income. Community property laws in the state where your spouse lives determine if you're taxed on any of your spouse's income.
- Global intangible low-taxed income (GILTI) if you were an Oregon resident on the date you received it (actual or deemed), or if it's from property employed in a business, trade, profession, or occupation carried on in Oregon while a nonresident.

Income not considered from Oregon sources includes:

- Interest and dividends. However, you must include them in Oregon income if they were:
 - From an Oregon business you own.
 - Received during the part of the year you were a resident.
 - Passed through from an S corporation or partnership doing business in Oregon.
- Oregon retirement income received while you were a nonresident unless you were domiciled in Oregon. See "Retirement income" in Publication OR-17.
- Interstate transportation wages from an interstate railroad company, interstate motor carrier, air carrier, or interstate motor private carrier. You must be a nonresident and have regularly assigned duties in more than one state. See "Interstate transportation wages" in Publication OR-17.
- Waterway, air carrier, or hydroelectric dam compensation, if you're a nonresident:
 - Working as crew or pilot on a vessel in navigable waters between Oregon and another state.
 - Working as crew or pilot on an aircraft in Oregon and at least one other state.
 - Working on a dam that spans a river between Oregon and another state.

Note: See the "Income" section in Publication OR-17 for more details regarding waterway, air carrier, and dam workers' compensation.

- Military pay of a nonresident.
- Winnings of a nonresident from tribal gaming centers in Oregon.
- Wages earned by a nonresident military spouse who is in Oregon only to be with the service member who is stationed here.

Residency

Am I a resident, a nonresident, or a part-year resident?

- **You're a full-year Oregon resident**, even if you live outside Oregon, if **all** of the following are true:
 - You think of Oregon as your permanent home.
 - Oregon is the center of your financial, social, and family life.
 - Oregon is the place you intend to return.

You're still a full-year resident if:

- You temporarily moved out of Oregon or
- You moved back to Oregon after a temporary absence.

You may also be considered a full-year resident if you spent more than 200 days in Oregon during 2019 or you're a nonresident alien, as defined by federal law.

You're a nonresident if your permanent home was outside Oregon all year.

You're a part-year resident if you moved into or out of Oregon during 2019. You're **not** considered a part-year resident if:

- You temporarily moved out of Oregon, or
- You moved back to Oregon after a temporary absence.

Special-case Oregon residents. If you're an Oregon resident and you meet **all** of the following conditions, you're considered a nonresident for tax purposes:

- You maintained a permanent home outside Oregon for the entire year.
- You didn't keep a home in Oregon during any part of the year.
- You spent less than 31 days in Oregon during the year.

Important. A recreational vehicle (RV) isn't considered a permanent home outside of Oregon.

Oregon residents living abroad. You're considered a nonresident if you're a qualified individual for purposes of the federal foreign earned income or housing exclusion for U.S. residents living abroad.

What form do I use?

Use Form OR-40-P if any ONE of the following is true:

- You're a part-year resident.
- You're filing jointly and one of you is a full-year Oregon resident and the other is a part-year resident.
- You're filing jointly and both of you are part-year Oregon residents.
- You qualified as an Oregon resident living abroad for part of the year.

Use Form OR-40-N if any ONE of the following is true:

- You're a nonresident.
- You're a special-case Oregon resident.
- You're filing jointly and one, or both, of you is a nonresident.
- You meet the military personnel nonresident requirements.
- You qualified as an Oregon resident living abroad for the entire year.

Use Form OR-40 if any ONE of the following is true:

- You're a full-year resident not filing a joint return; or
- You and your spouse are both full-year residents filing jointly.

Form OR-40 is included in Publication OR-40-FY. Download the publication from our website, www.oregon.gov/dor/forms or contact us to order it.

Military personnel

Nonresidents stationed in Oregon. Oregon doesn't tax your military pay while you're stationed in Oregon. File Form OR-40-N if you had other income from Oregon sources, or to claim a refund of Oregon tax withheld from your military pay.

Military spouses. Federal law does not allow Oregon to tax your wages if you're a nonresident and you're in Oregon only to be with your spouse who is stationed in Oregon. If you're domiciled in Oregon and your spouse is a resident of another state, federal law allows you to choose to be treated for tax purposes as a resident of your spouse's state. File Form OR-40-N if you had other income from Oregon sources or are claiming a refund of Oregon tax withheld.

Residents (or Oregon-domiciled service members) stationed outside of Oregon. If you meet the requirements for special-case Oregon residents or Oregon residents living abroad, file Form OR-40-N. File Form OR-40 if you don't meet those requirements.

Residents (or Oregon-domiciled service members) stationed in Oregon. Your pay is subject to tax, although the pay could qualify for certain subtractions. For more information on subtractions available to military personnel, see Publication OR-17.

Military personnel on active service in Oregon are treated as nonresidents for tax purposes if their address in the payroll records of the Defense Finance and Accounting System (DFAS) is outside Oregon, regardless of where they are domiciled (ORS 316.027).

Filing for a deceased person

A personal income tax return must be filed for a person who died if the person would have been required to file. See the filing information in these instructions or Publication OR-40-FY to determine if there is a filing requirement. Check the "Deceased" box next to the person's name on the return. If you have been appointed personal representative or you have filed a small estate affidavit, sign the return as "personal representative." A surviving spouse must sign if it's a joint return. If there's no personal representative, only the surviving spouse needs to sign a joint return.

Note: Oregon has an estate transfer tax on estates valued at \$1 million or more. The tax is paid by the estate using Form OR-706, not by the individuals receiving the inheritance. For more information, see the instructions for Form OR-706.

When should I file my return?

The filing deadline for calendar year 2019 is **July 15, 2020**. If you can't pay your tax by the due date, it's important to file your return anyway to avoid a late-filing penalty.

Returns for fiscal filers are due by the 15th day of the fourth month after the close of their tax year. However, if this causes the fiscal filer's due date to be April 15, 2020, then the due date is automatically extended to July 15, 2020.

What if I need more time to file?

If you requested a federal extension to file, Oregon will allow the same extension. Don't include a copy of your federal extension with your Oregon return; keep it with your records. If you need an extension of time to file only your Oregon return, see Publication OR-40-EXT.

An extension doesn't mean more time to pay.

To avoid interest charges, you must pay all of the tax you expect to owe by July 15, 2020. If you can't pay all of the tax you expect to owe, pay what you can. You'll owe interest on any unpaid tax starting July 16, 2020 until the date of your payment. You may also be charged a penalty for failing to pay your tax on time. See "Penalties" and the instructions for Form OR-40-N, line 65 or Form OR-40-P, line 64.

To make an extension payment, see "Payment options" after the instructions for Form OR-40-N, line 68 or Form OR-40-P, line 67, or see Publication OR-40-EXT. Check the "Extension payment" box on the voucher if you're mailing your payment or paying in person. Select the "Estimated payment" option if making your payment through Revenue Online.

Don't forget to check the "Extension filed" box on your return when you file.

Penalties

If you don't pay all of your tax by July 15, 2020, you may be charged a 5 percent penalty on the unpaid amount, even if you requested an extension to file your return. Oregon doesn't allow an extension of time to pay tax, even if the IRS does.

You'll be charged a 20 percent penalty for failure to file your return if you file it more than three months after the due date, including extensions. If both

penalties apply, the total penalty will be 25 percent of the unpaid tax.

Note: If you fail to file returns for three consecutive years by the due date for the third year's return, including extensions, you'll be charged a penalty of 100 percent of each year's unpaid tax.

For more information about these and other penalties, see the instructions for Form OR-40-N, line 65 or Form OR-40-P, line 64, and "Interest and Penalties" in Publication OR-17.

2020 estimated tax

Estimated tax is the amount of tax (after credits and Oregon tax withheld) you expect will be shown on your return when you file.

Oregon estimated tax laws are not the same as federal estimated tax laws. For more information on how to calculate your estimated payments for Oregon, see Publication OR-ESTIMATE. Vouchers for estimated payments are available at www.oregon.gov/dor/forms.

Do I need to make estimated payments?

In most cases, if you expect your return to show that **you will owe \$1,000 or more in tax** after credits and withholding you **must** make estimated payments. You may need to make estimated payments if:

- You're self-employed and don't have Oregon tax withheld from your income.
- You have Oregon Lottery single ticket winnings of less than \$1,500.
- Oregon tax isn't withheld from other types of income (such as pensions, interest, or dividends) and you expect to owe tax of \$1,000 or more.
- You're a wage earner and expect to owe tax of \$1,000 or more on your 2020 return. You may want to increase the amount your employer withholds from your Oregon wages. For withholding information, go to www.oregon.gov/dor/personal.

See Publication OR-ESTIMATE for more information, including:

- Detailed instructions for calculating installment payments.
- Tax rate charts for 2020.
- Installment periods and due dates.
- Helpful worksheets and examples.
- Payment instructions and voucher.

Download Publication OR-ESTIMATE from our website or contact us to order it.

Interest on underpayment of estimated tax

You may owe interest for underpaying your estimated tax if:

- The tax on your return after credits and withholding is \$1,000 or more; or
- You underpaid one or more of your required estimated tax installments.

See the instructions for Form OR-40-N, line 66, or Form OR-40-P, line 65, and Publication OR-10 for more information.

What if I'm self-employed?

If you're self-employed and do business in **Multnomah, Clackamas, or Washington counties**, you may need to file Form OR-TM. If you're self-employed and do business in **Lane County**, you may need to file Form OR-LTD. Go to our website to download the forms, contact us to order either form, or file them electronically through Revenue Online at www.oregon.gov/dor.

What if I need to change my Oregon return after filing?

It depends on what you need to change. Follow these instructions for amending (changing) your return if:

- You discover that your income, deductions, or other item(s) were wrong.
- You used a form that didn't match your residency status.
- Your filing status wasn't correct.
- The IRS or another state adjusted or audited your return and it affects your Oregon tax.
- You have a net operating loss (NOL) carryback.
- Changes in federal or state income tax laws affect a return you've already filed.

Don't amend your Oregon return if:

- We made changes to your return and you object to those changes. You must follow the appeal process in the notice we sent you.
- You're filing a protective claim for a refund. Use Form OR-PCR.

There's a time limit for filing an amended return. See the instructions for Form OR-40-N, lines 69 to 72 or Form OR-40-P, lines 68 to 71. For more information, see "Amended returns" in Publication OR-17.

How do I amend my 2019 return?

General instructions

- Complete the return as it should've been filed, including adjustments we made.
- Check the "Amended return" box on the first page.
- In the "Amended statement" space, provide the return line number and reason for each change.
- Use the **Amended worksheet**, below, to figure your amended tax due or refund.
- If you're amending your federal return or a return you filed with another state, include a copy of those amended returns with your amended Oregon return. If you're only amending your Oregon return, include a copy of your original federal return. **Don't** include a copy of your original Oregon return.

Residency. Use the form that matches your residency status for the year you're amending, even if your original return was filed on a different form.

Adjustment made by the IRS or another state. Include a copy of the **corrected** federal or other state return or audit report.

NOL carryback. Enter the loss year in the NOL-year box on the first page of the return. If you're carrying back an NOL from more than one year, file a separate amended return for each NOL year. In the "Amended statement" space, tell us the section number of the Internal Revenue Code that allows you to carry back the NOL(s) to the 2019 tax year. See "Net operating losses for Oregon" in Publication OR-17 for more information.

What if I need to change a return I filed for an earlier year?

Refer to the instructions for the tax year you need to amend. Visit our website or contact us if you need the form and instructions for a different year.

How long will it take to process my amended return?

It may take six months or longer to process your amended return.

General instructions for Forms OR-40-N & OR-40-P

Step 1: Complete your federal return

Your Oregon tax is determined using the ratio of your Oregon-source income to your entire federal income. Complete your federal return first. Do this even if you aren't required to file a federal return. You must use the information from your federal return to complete your Oregon return. You must include a copy (front and back) of your federal Form 1040 or 1040-SR with Schedules 1 through 3 (if applicable), 1040-NR, or 1040-NR-EZ with your Oregon return. If you're amending your Oregon return and your federal return, include a copy of Form 1040-X and an amended Form 1040 or 1040-SR with Schedules 1 through 3 (if applicable).

If you don't provide a copy of your federal return, we may adjust or deny your Oregon subtractions, deductions, and credits. Include federal Schedules 1 through 3 (if applicable); don't include any other federal schedules. We may ask you for copies of other schedules or additional information later.

Oregon same-sex registered domestic partners (RDPs): To correctly determine your Oregon tax liability, you must complete a federal income tax return as if you were filing as married filing jointly or married filing separately. Check the "Calculated using 'as if' federal return" box on the your Oregon return.

For more information on how to file as an RDP, go to www.oregon.gov/dor and search for "RDP."

Step 2: Select the appropriate Oregon return

To decide which form to use, see "What form do I use?" in the "General information" section.

Step 3: Fill out the Oregon return

Use blue or black ink only for easier reading and faster processing. The equipment used to scan documents and checks can't read gel ink or certain colors, and using them will delay the processing of your return.

Fiscal-year filers

Write the ending date of your fiscal year in the "Fiscal year ending" box on the return.

Oregon resident—Form OR-40-P only

Name and address

Type or clearly print names, Social Security numbers (SSN), and dates of birth for you and your spouse. **Enter your spouse's information even if you're filing as married filing separately.** If you're filing for someone who died in 2019 or 2020, check the "Deceased" box next to their name.

Enter your **current mailing address**. This is where we'll send any refund or correspondence, if needed. Enter your current daytime phone number.

Date of birth. Enter the month, day, and year that you and your spouse were born. For example, "11/01/1978."

SSN. You must provide your SSN per Section 405, Title 42, of the United States Code. We will only use it to establish your identity for tax purposes.

Follow these instructions if you've filed previous tax returns using an Individual taxpayer identification number (ITIN) and this is your first year filing using your new SSN:

- Check the "First time using this SSN" box.
- Write your previous identification number on the first line of the "Amended statement" space on page 5 of your return.

ITIN. If the IRS assigned you an ITIN because you don't qualify for an SSN, enter your ITIN wherever an SSN is requested. **Refunds will not be issued without a valid SSN or ITIN.**

If you don't have an ITIN, you must request one from the IRS. To get an ITIN application (federal Form W-7), go to www.irs.gov or call (800) 829-1040.

If you've applied for an ITIN but you haven't received it yet:

- Check the "Applied for ITIN" box.
- File your return by July 15, 2020.

- Don't include Form W-7 with your return. Keep it with your records.
- Once the IRS issues your ITIN, mail a copy of your ITIN letter to us at PO Box 14999, Salem OR 97309-0990.

Filing status

1 – **5** Check the box next to your filing status. Generally, you must use the same filing status for your Oregon and federal returns. Choose only **one** filing status.

Exception for Oregon RDPs. As an Oregon RDP, you're not eligible to use the single filing status on your Oregon return. For Oregon, you're generally **required** to use married filing jointly or married filing separately. For more information, go to our website, see "Filing an Oregon return" in Publication OR-17, or contact us.

Exceptions for married persons who filed a joint federal return when each person had a different residency status. Use this table to determine which return form to use if you file a joint return or separate returns for Oregon.

Table 2. Spouses with different residency status

Spouses' residency status:	If you file a joint return, use:	If you file separate returns:
Part-year and nonresident	OR-40-N	Each spouse uses the form that matches their individual residency status
Nonresident and full-year resident	OR-40-N	
Part-year and full-year resident	OR-40-P	

How to file separate returns for Oregon

If you're filing a joint federal return but separate Oregon returns, enter your spouse's name, SSN, and date of birth on your return. Report your own share of federal AGI and deductions. Also, report your share of any Oregon additions or subtractions using this formula to determine your percentage:

$$\frac{\text{Your share of federal AGI}}{\text{Joint federal AGI}} = \text{Your percentage (not to exceed 100\%)}$$

Check the "Calculated using 'as if' federal return" box on your return. You must include the following forms with **both** Oregon returns:

- A federal Form 1040 or 1040-SR with Schedules 1 through 3 (if applicable), 1040-NR, or 1040-NR-EZ prepared as if you had filed as married filing separately.
- A copy of the joint Form 1040 or 1040-SR with Schedules 1 through 3 (if applicable), 1040-NR, or 1040-NR-EZ that you actually filed with the IRS.

If the federal form you filed is an amendment, include Form 1040-X and federal returns as amended for your actual and “as if” returns.

If possible, mail both spouses’ Oregon returns in the **same** envelope. **Don’t** staple the returns together.

For more information, see “Filing status” in Publication OR-17.

Exemptions

6a & 6b **Yourself and spouse.** If no one else can claim you as a dependent on their return, check the “Regular” exemption box for yourself; otherwise, check the box below line 6a, even if the other person doesn’t actually claim you as a dependent. If you’re filing as married filing jointly and no one else can claim your spouse as a dependent on their return, check the “Regular” exemption box on line 6b for your spouse; otherwise, check the box below line 6b, even if the other person doesn’t actually claim your spouse as a dependent.

Severely disabled. Did you or your spouse have a severe disability at the end of 2019? If so, you can claim an additional exemption. This is different from the disabled child exemption. You may qualify for and claim the severely disabled exemption even if someone else can claim you as a dependent. You’re considered to have a severe disability if **any** of the following apply:

- You permanently lost the use of one or both feet.
- You permanently lost the use of both hands.
- You’re permanently blind.
- You have a permanent condition that, without special equipment or outside help, limits your ability to earn a living, maintain a household, or transport yourself.
- You’re unable to earn a living due to a permanent condition or an impairment of indefinite duration.

If you have a severe disability, your physician must write a letter describing it. Keep the letter with your records in case we request a copy.

If you qualify, check the “Severely disabled” exemption box on line 6a. If your spouse qualifies, check the “Severely disabled” exemption box on line 6b.

Total exemptions for you and spouse. Enter the total number of exemptions claimed for yourself on line 6a and for your spouse on line 6b.

6c **All dependents.** Enter your dependents’ information in order from youngest to oldest. For each dependent, list their first name, last name, relationship code (see Table 3), SSN, and date of birth. In most cases, you will list the same dependents you claimed on your federal return. However, if you have

qualifying dependents who aren’t listed on your federal return, you may claim them for Oregon.

If you have more than four dependents, check the box and fill out Schedule OR-ADD-DEP with your remaining dependents. Don’t list the same dependents on your return and Schedule OR-ADD-DEP. Include Schedule OR-ADD-DEP with your return.

On line 6c, enter the total number of your dependents, including the number from line 1 of Schedule OR-ADD-DEP.

Table 3. Relationship codes

6d **Children with a disability.** You may be entitled to an additional personal exemption for your dependent child who has a qualifying disability. To qualify, **all** of the following must be true:

- Your child (age 21 or younger) qualified as your dependent for 2019.
- Your child was eligible for early intervention services or special education as defined by the State Board of Education of the state where the child attends school.
- Your child had an eligible disability as of December 31, 2019 under the federal Individuals with Disabilities Education Act. Eligible disabilities include:
 - Autism spectrum disorder.
 - Communication disorder.
 - Deafblindness.
 - Developmental delay.
 - Emotional disturbance.
 - Hearing impairment.
 - Intellectual disability.
 - Orthopedic impairment.

- Other health impairment.
- Specific learning disability.
- Traumatic brain injury.
- Visual impairment.

Each year, you must be able to provide an eligibility statement confirming that your child has been diagnosed with one of the disabilities listed above **and** a cover sheet from one of the following:

- The child’s Individualized Education Program (IEP).
- The child’s Individualized Family Service Plan (IFSP).

Keep the statement and cover sheet with your records. Check the “Check if child with qualifying disability” box next to the name of each child with a qualifying disability. Enter the total number of children with a qualifying disability, including the number of children on line 2 of Schedule OR-ADD-DEP, on line 6d.

6e Total exemptions. Add lines 6a through 6d and enter the total on line 6e. This is your total number of exemptions.

Forms OR-40-N and OR-40-P line instructions

Don't enter cents. You **must** round off cents to the nearest whole dollar. For example, \$99.49 becomes \$99 and \$99.50 becomes \$100. If you don't round entries to the nearest dollar, there may be small variations in the totals we use.

The forms have two columns for figures. These are to show your federal adjusted gross income (AGI), additions, and subtractions. The columns compare your total (column F) to the portion that Oregon taxes (column S).

You must include a copy (front and back) of your federal return, including Schedules 1 through 3 (if applicable), with your Oregon return. This helps us verify your income and process your return faster. **If you don't include your federal return with your Oregon return, items claimed on your return may be adjusted or denied.**

Federal column (F) instructions, lines 7F–29F

The first column is called "Federal column (F)." For lines 7F–29F of the federal column, transfer the amounts you reported on your federal return. If you used Form 1040 or 1040-SR, these will be the amounts on lines 1 through 8b and Schedule 1, lines 1 through 22.

Line 29F, "Income after adjustments," must match your 2019 federal AGI from Form 1040 or 1040-SR, line 8b; Form 1040-X, line 1C; Form 1040-NR, line 35; or Form 1040-NR-EZ, line 10. If it doesn't match, check that you transferred the figures from your federal return correctly.

Oregon column (S) instructions, lines 7S–29S

The second column is called "Oregon column (S)." Use this column to list the amounts from the federal column that are taxed by Oregon.

Nonresidents. Oregon taxes only your income from **Oregon sources**. To determine your Oregon-source income, see "What does income from Oregon sources include?" in the "General information" section.

Part-year residents. Oregon taxes your income from **all sources** earned or received while you were an Oregon resident. Oregon also taxes your income from **Oregon sources** while you were a nonresident. To determine

your Oregon-source income, see "What does income from Oregon sources include?" in the "General information" section.

Full-year residents. Oregon taxes your income from **all sources**. If you're a full-year resident filing jointly on Form OR-40-N or Form OR-40-P, all of your income in the federal column must be included in the Oregon column.

7S Wages, salaries, and other pay for work. Part-year residents—enter amounts you earned while an Oregon resident and any amounts you earned working in Oregon while you were a nonresident.

Full-year residents—enter all of your income included in the federal column.

Nonresidents—enter the amount you earned while working in Oregon for each job. If that amount differs from the Oregon wages on your Form W-2, request a signed statement from your employer verifying the number of days worked in Oregon and the total number of days worked everywhere. Keep this document and a statement explaining your calculations with your records. If your Oregon wages aren't stated separately on your Form W-2, compute your Oregon-source income using the following formula:

$$\frac{\text{Days actually worked in Oregon}}{\text{Days actually worked everywhere}} \times \begin{array}{l} \text{Total} \\ \text{wages} \\ \text{(line 7F)} \end{array} = \begin{array}{l} \text{Oregon} \\ \text{wages} \\ \text{(line 7S)} \end{array}$$

Don't include holidays, vacation days, and sick days as days actually worked. **However, you must** include sick pay, holiday pay, and vacation pay in total wages. See the example below. If Oregon is the only state you worked in, don't use this formula; all your earnings are taxable and should be reported in the Oregon column.

Example: Savannah lives in Idaho but works in Oregon. Of her 260 total days paid, she worked 138 days in Oregon and 92 days from her home in Idaho. She received 14 days vacation pay, eight days sick pay, and eight days holiday pay. She earned \$50,000 in wages. She figured the amount subject to Oregon tax as follows:

Total days paid	260
Less: Vacation days	-14
Sick days	-8
Holidays	-8
Total days worked everywhere	<u>230</u>

$$\frac{\text{Days actually worked in Oregon (138)}}{\text{Days actually worked everywhere (230)}} \times \$50,000 \text{ (Total wages)} = \$30,000$$

Savannah’s compensation reported in the federal column, Form OR-40-N, line 7F is \$50,000 and in the Oregon column, Form OR-40-N, line 7S is \$30,000.

Exceptions

Interstate employment. Check the “Employment exception” box on page 1 and don’t include the following types of compensation in the Oregon column of the return if you’re a nonresident who works:

- For an interstate transportation provider and whose wages qualify for special treatment under the federal laws formerly known as the “Amtrak Act.”
- On the Bonneville, The Dalles, John Day, or McNary hydroelectric dams.
- As a crewmember or pilot on a vessel in interstate navigable waters.

If you’re a nonresident who works as a crewmember or pilot on aircraft in Oregon and at least one other state, you may be able to exclude your compensation from the Oregon column.

See the “Income” section of Publication OR-17 for details about these exceptions.

Military. Check the “Military” box on page 1 of the return if you’re a:

- Nonresident member of the U.S. Armed Forces stationed in Oregon. Military pay of a nonresident isn’t Oregon-source income. Don’t report your military pay in the Oregon column on line 7S. If you have another job, those wages are taxable to Oregon and must be included on line 7S. Only your military pay is exempt.
- Nonresident military spouse. Your wages are exempt from state tax if you’re only in Oregon because your spouse is stationed here. Don’t report your wages in the Oregon column on line 7S. File Form OR-40-N if you had non-wage Oregon income or to claim a refund of Oregon tax withheld from wages.

If Oregon taxes were withheld from your exempt wages, you should file a new withholding form with your employer. Use Form OR-W-4 and follow the instructions to declare that you’re exempt using the appropriate code and give the form to your employer.

8S Taxable interest income. Determine the amount of interest income on line 8F that you received from an Oregon business activity while you were a nonresident. Add any interest included on line 8F that

you received during the part of the year you were an Oregon resident.

9S Dividend income. Determine the amount of dividends on line 9F that you received from an Oregon business activity source while you were a nonresident. This includes dividends passed through to you from an S corporation or partnership doing business in Oregon or providing services for Oregonians. These are dividends your S corporation or partnership received on the stock of another corporation. Add any dividend income included on line 9F that you received during the part of the year you were an Oregon resident.

10S State and local income tax refunds. If you received an income tax refund from another state or local government that is included in your federal income, and you deducted those taxes on a prior year’s Oregon return, include the refund in your Oregon income. This refund is not taxable to Oregon if you did not deduct the taxes on an Oregon return.

Oregon doesn’t tax Oregon state income tax refunds you received, so don’t include amounts received from Oregon on line 10S.

11S Alimony received. Enter alimony you received for the part of the year you were an Oregon resident.

12S Business income or loss. Determine the amount of income or loss from an Oregon business activity for the part of the year you were a nonresident. Add all business income or losses incurred during the part of the year you were a resident of Oregon.

13S Capital gain or loss. Determine the amount of gain or loss and capital gain distributions from Oregon sources for the part of the year you were a nonresident. Add the amount of your capital gains received and losses incurred during the part of the year you were an Oregon resident. Limit losses to \$3,000 (\$1,500 if married filing separately).

14S Other gains or losses. Determine the amount of gain or loss from Oregon sources for the part of the year you were a nonresident. Add the gain received or loss incurred during the part of the year you were an Oregon resident.

15S IRA, pensions, and annuities. Enter the amount of taxable individual retirement arrangement (IRA) distributions, pensions (including federal pensions), and annuities you received while an Oregon resident. Don’t include any Railroad Retirement benefits (RRB-1099-R).

Include any amounts you converted from a regular IRA into a Roth IRA while you lived in Oregon. If you lived

in another state when you made contributions to your IRA, you may need more information. If so, contact us.

If you're domiciled in Oregon, you must also include any Oregon-source pensions you received. This is true even though you may qualify as a nonresident under the tests for special case Oregon residents or Oregon residents living abroad.

For example, if you lived in Oregon before you retired **and have not changed your permanent home to another state**, you must report the pension you earned while you worked in Oregon. If you have a federal pension, you may qualify for a subtraction on Schedule OR-ASC-NP. If you need help, contact us.

17S Schedule E income. Determine the income received and losses incurred from rents, royalties, partnerships, S corporations, real estate investment trusts (REITs), estates, trusts, etc. reported on federal Schedule E from Oregon sources during the part of the year you were a nonresident. Add the amount received or incurred during the part of the year you were an Oregon resident.

18S Farm income or loss. Determine the amount of income received or loss incurred from an Oregon farm while you were a nonresident. Add the amount of farm income received or loss incurred during the part of the year you were an Oregon resident.

19S Unemployment compensation and all other taxable income. Include on line 19S:

- Unemployment compensation received from an Oregon job or while an Oregon resident,
- Oregon Lottery winnings (see additional information below),
- Other winnings received while an Oregon resident,
- Severance pay received from an Oregon job or while an Oregon resident, and
- Any other taxable income on line 19F from Oregon sources or received while an Oregon resident.

Don't include Social Security, Railroad Retirement Board benefits, or Railroad Retirement Board unemployment benefits, as Oregon doesn't tax this income.

Include all payments received from the Oregon Lottery in the Oregon column. Oregon Lottery means all games offered by the Oregon State Lottery Commission and purchased in Oregon. To determine whether you can subtract some or all of this amount, see Publication OR-17.

Include global intangible low-taxed income (GILTI) if you were an Oregon resident on the date you received it (actual or deemed receipt) or if it's from property employed in a business, trade, profession, or occupation carried on in Oregon while a nonresident.

Adjustments

21S IRA or self-employed SEP and SIMPLE contributions. Oregon follows the federal definition of earned income and compensation used to calculate your IRA and other retirement plan deductions. Determine the amount you paid during the part of the year you were an Oregon resident. Add the amount calculated for the time you were a nonresident.

- **IRA.** Use the following formula to determine your deduction for the part of the year you were a nonresident:

$$\frac{\text{Oregon earned income while a nonresident}}{\text{Total earned income while a nonresident}} \times \begin{matrix} \text{IRA} \\ \text{contributions} \\ \text{made while a} \\ \text{nonresident} \end{matrix} = \begin{matrix} \text{Nonresident} \\ \text{deduction} \end{matrix}$$

- **Self-employed SEP, SIMPLE, and qualified plans.** Use the following formula to determine your allowable deduction for the part of the year you were a nonresident:

$$\frac{\text{Oregon compensation while a nonresident}}{\text{Total compensation while a nonresident}} \times \begin{matrix} \text{Contributions} \\ \text{made while a} \\ \text{nonresident} \end{matrix} = \begin{matrix} \text{Nonresident} \\ \text{deduction} \end{matrix}$$

This deduction can't be more than the amount of compensation included in the Oregon column.

22S Education deductions. The following instructions will help you figure the amount you can claim on your Oregon return.

- **Educator expenses deduction** from federal Form 1040 or 1040-SR, Schedule 1, line 10. For the part of the year you were a nonresident, determine the amount of qualified educator expenses you paid while working in or providing educator services to students in Oregon elementary or secondary schools. Add the qualified educator expenses you paid during the part of the year you were an Oregon resident. Enter the smaller of the result or the amount deducted on your federal return.

- **Student loan interest deduction** from federal Form 1040 or 1040-SR, Schedule 1, line 20.

Use the following formula to calculate your deductions for the part of the year you were a nonresident:

$$\frac{\text{Oregon-source income while a nonresident}}{\text{Total income from all sources while a nonresident}} \times \begin{matrix} \text{Student} \\ \text{loan interest} \\ \text{paid while a} \\ \text{nonresident} \end{matrix} = \begin{matrix} \text{Nonresident} \\ \text{deduction} \end{matrix}$$

Add all interest paid during the part of the year you were an Oregon resident. Enter the result or the amount of federal student loan interest from your federal return, whichever is less.

- **Tuition and fees deduction** from federal Form 1040 or 1040-SR, Schedule 1, line 21.

Use the following formula to calculate your deduction for the part of the year you were a nonresident:

$$\frac{\text{Oregon-source income while a nonresident}}{\text{Total income from all sources while a nonresident}} \times \text{Qualified tuition and fees paid while a nonresident} = \text{Nonresident deduction}$$

Add all qualified education expenses you paid during the part of the year you were an Oregon resident. Enter the result or the amount of tuition and fees deduction from your federal return, whichever is less.

Note: If you weren't allowed a federal tuition and fees deduction because you claimed the federal credit, don't claim a deduction on line 22S. You may be entitled to a subtraction (code 308). See Schedule OR-ASC-NP instructions.

Add the Oregon amounts for your educator expenses deduction, student loan interest deduction, and tuition and fees deduction. Enter the total on line 22S.

- **23S Moving expenses.** Enter moving expenses in the Oregon column only if **all** of the following are true for you (or your spouse, if filing jointly):

- You are on active duty in the United States Army, Navy, Air Force, Marines, or Coast Guard.
- Your expenses are deductible on your federal return because they are related to a permanent change of station (known as a PCS move).
- Your new duty station is in Oregon.
- You have taxable income from employment (military, civilian, or self-employment) performed in Oregon.

- **24S Deductions for self-employment tax.** Use the following formula to determine the amount of your self-employment tax on earnings taxed by Oregon:

$$\frac{\text{Self-employment earnings taxed by Oregon}}{\text{Total taxable self-employment earnings}} \times \text{Federal deduction for self-employment tax} = \text{Oregon deduction}$$

The Oregon deduction can't be more than the federal deduction.

- **25S Self-employed health insurance deduction.** Oregon allows a deduction of 100 percent of your health insurance premiums related to your self-employment for the part of the year you were an Oregon resident. Add the health insurance premiums paid by your Oregon business while a nonresident. Your total Oregon deduction can't be more than your federal deduction.

- **26S Alimony paid.** Determine if the alimony you paid to your former spouse is deductible for federal purposes. If so, use the following formula to calculate your Oregon deduction for the part of the year you were a nonresident:

$$\frac{\text{Oregon-source income while a nonresident}}{\text{Total income while a nonresident}} \times \text{Alimony paid while a nonresident} = \text{Nonresident deduction}$$

Add to that amount the alimony you paid while you were a resident.

- **27F/S Total adjustments from Schedule OR-ASC-NP.** Other adjustments not explained here are claimed on Schedule OR-ASC-NP. Enter the federal and Oregon totals from Schedule OR-ASC-NP, section 1. If you're reporting an adjustment, **you must include Schedule OR-ASC-NP with your return.**

For more information about adjustments, see the instructions for Schedule OR-ASC-NP or "Adjustments" in Publication OR-17.

Additions

- **30F/S Total additions from Schedule OR-ASC-NP.** Additions are reported on Schedule OR-ASC-NP. Enter the federal and Oregon totals from Schedule OR-ASC-NP, section 2. If you're reporting an addition, **you must include Schedule OR-ASC-NP with your return.**

For more information about additions, see the instructions for Schedule OR-ASC-NP or "Additions" in Publication OR-17.

Subtractions

- **32F Social Security and tier 1 Railroad Retirement Board benefits.** Enter Social Security and tier 1 Railroad Retirement Board benefits you included on line 7F or 19F.

If you have tier 2, windfall/vested dual, or supplemental Railroad Retirement Board benefits, these are subtracted on Schedule OR-ASC-NP. For more information, refer to the instructions for Schedule OR-ASC-NP or the "Subtractions" section of Publication OR-17.

33F/S Total subtractions from Schedule OR-ASC-NP. Other subtractions not explained here are claimed on Schedule OR-ASC-NP. If you claim a subtraction on Schedule OR-ASC-NP, **you must include the schedule with your return.**

For more information about subtractions, see the instructions for Schedule OR-ASC-NP or “Subtractions” in Publication OR-17.

35 Oregon percentage. In most cases, to find your Oregon percentage, divide the amount on line 34S by the amount on line 34F. If the amount on line 34S is **more than** the amount on line 34F or if the amount on line 34S is positive but the amount on line 34F is zero or negative, your Oregon percentage is 100 percent. If both amounts are negative, treat both as if they’re positive, and then:

- If the Oregon number is smaller than the federal number, your Oregon percentage is 100 percent.
- If the federal number is smaller than the Oregon number, divide the federal number by the Oregon number.

Round the decimal to three places and enter the result as a percentage as shown in the examples. **Don’t enter more than 100 percent or less than -0-.**

Table 4. Oregon percentage examples

Line 34S	Line 34F	Oregon percentage line 35
\$8,000 ÷	\$30,000 =	0.266666 Round to 0.267 (<u>26.7</u> %)
\$20,000 ÷	\$15,000 =	1.333 Limited to 1.000 (<u>100.0</u> %)
-\$1,000 ÷	\$15,000 =	-0- (0%) (<u>0.0</u> %)
\$1,000 ÷	-\$5,000 =	(100%) (<u>100.0</u> %)
-\$2,000 ÷ 2,000	-\$8,000 = 8,000	Oregon number smaller than federal number (<u>100.0</u> %)
-\$10,000 ÷ 10,000	-\$6,000 = 6,000	Federal number smaller than Oregon number 6,000 / 10,000 = 0.6 (<u>60.0</u> %)

Deductions and modifications

Deductions and other modifications further adjust your Oregon taxable income. Modifications not explained here are reported on Schedule OR-ASC-NP.

In general, you can claim Oregon itemized deductions or the standard deduction, whichever is larger, **but not both.**

See the following exceptions for:

- Dependents who can be claimed on another taxpayer’s return.
- Nonresident aliens.
- Spouses filing separate returns.

37 Itemized deductions. If you’re itemizing your deductions for Oregon enter the amount from Schedule OR-A, line 23. Note: **Don’t** enter your federal itemized deductions; the amount allowed for Oregon may be different.

If you’re not itemizing, enter -0-.

38 Standard deduction. Generally, your standard deduction is based on your filing status, as shown in Table 5.

Table 5. Standard deduction

Single	\$2,270
Married filing jointly	\$4,545
Married filing separately	
• If spouse claims standard deduction	\$2,270
• If spouse claims itemized deductions	-0-
Head of household	\$3,655
Qualifying widow(er)	\$4,545

Standard deduction—Age 65 or older, or blind. If you or your spouse turned age 65 or were blind at the end of the tax year, you’re entitled to a larger standard deduction. If you or your spouse are permanently blind, you may also qualify for the severely disabled exemption credit; the instructions for lines 6a and 6b.

Check the applicable boxes on line 38, then multiply the number of boxes checked by:

- \$1,200 if single or head of household filing status; or
- \$1,000 for all other filers.

Add this amount to the standard deduction for your filing status from Table 5. Enter the total on line 38.

Example. Joni and Mike are married. By January 1, 2020, Joni had turned 61 and Mike had turned 67. Joni files the return as the primary taxpayer. She checks the box for spouse 65 or older and adds \$1,000 to their standard deduction. Joni enters \$5,545 (\$4,545 + \$1,000) on line 38.

Standard deduction—Dependents who can be claimed on another taxpayer’s return. If someone else can claim you as a dependent, your standard deduction is limited to the **larger** of:

- Your earned income plus \$350, up to the maximum allowed for your filing status (see Table 5); or
- \$1,100.

This limit applies, even if the other person doesn't actually claim you as a dependent on their return.

If you're a dependent and not married, use the following worksheet to figure your standard deduction. If you're a dependent and married, see "Deductions and modifications" in Publication OR-17.

Standard deduction worksheet for single dependents

1. Enter your earned income (see definition below). 1. _____
2. Additional \$350. 2. \$350
3. Add lines 1 and 2. 3. _____
4. Minimum standard deduction. 4. \$1,100
5. Enter the larger of line 3 or line 4. 5. _____
6. Basic standard deduction for single. 6. \$2,270
7. Enter the smaller of line 5 or line 6. 7. _____
8. If you turned 65 by 1/1/2020, enter \$1,200. Otherwise, enter -0-. 8. _____
9. If you're blind, enter \$1,200. Otherwise, enter -0-. 9. _____
10. Add lines 7, 8, and 9. This is your standard deduction. 10.

Earned income includes salaries, wages, tips, professional fees, or other amounts received as pay for work you actually performed, and any part of a scholarship or fellowship grant you received that is included in your federal gross income.

Standard deduction—Nonresident aliens. The standard deduction for nonresident aliens (as defined by federal law) is -0-.

Standard deduction—Married filing separately. The standard deduction for married individuals filing separately is -0- if one spouse itemizes. This applies even if the standard deduction is more than your itemized deductions.

40 2019 federal tax liability subtraction. Complete the following worksheet to determine your **federal tax liability** subtraction for 2019. Carefully follow the instructions. Don't confuse your **federal tax liability** on your federal return with the **federal tax withheld** on a Form W-2. They aren't the same. **RDPs and those filing as "married filing separately for Oregon only,"** use amounts from your actual federal return(s), **not** your "as if" return.

The federal tax liability subtraction limit for 2019 is \$6,800 (\$3,400 if married filing separately). The subtraction is further limited by the AGI phase-outs shown in Table 6.

Note: Use the worksheet(s) in the "Federal income tax liability" section of Publication OR-17 if any of these situations apply:

- You're amending your 2019 federal return or we corrected the federal tax liability subtraction on your original 2019 Oregon return.
- A prior year's federal return was audited or amended, resulting in additional federal tax paid or refunded in 2019.
- You paid income tax to a foreign country.
- You filed your federal return on Form 1040-NR or 1040-NR-EZ.
- You reported recapture taxes or credits on your federal return.

Caution: Don't include any of the following in your calculation:

- Self-employment tax.
- Social Security and Medicare tax on tips.
- Household employment taxes.
- Penalties or interest.

1. Enter your federal tax liability from Form 1040 or 1040-SR, line 14. 1. _____

10. Enter your maximum allowable amount from Table 6. Don't enter more than \$6,800 (\$3,400 if married filing separately). 10. _____
11. Enter the **smaller** of line 9 or line 10. This is your federal tax liability subtraction. 11.

Are you amending your 2019 return? Usually you can't change your federal tax subtraction on your amended return. See the "Federal income tax liability" section in Publication OR-17 for more information before making changes to this subtraction.

Tax rate charts. Calculate your tax using the applicable formula in the tax rate charts for your filing status.

- Use Chart S if your filing status is single or married filing separately.
- Use Chart J if your filing status is married filing jointly, head of household, or qualifying widow(er) with dependent child.

Example: Daniel and Madison are filing a joint return. Their Oregon taxable income is \$75,500. They use the formula in Chart J for taxable income over \$17,800 but not over \$250,000 to calculate their tax as follows:

Tax on the first \$17,800 (from the chart)	\$1,104
Oregon taxable income	\$75,500
Minus the first \$17,800	<u>- 17,800</u>
Excess over \$17,800	\$57,700
Multiply excess by 9%	<u>x 0.09</u>
Tax on excess over \$17,800	+ \$5,193
Total Oregon tax	<u><u>\$6,297</u></u>

Other tax methods. If you qualify, you can compute your Oregon tax using any of the following methods:

Farm income averaging method. Did you have income from a farm? You may use the federal farm income averaging method to compute your Oregon tax even if you didn't use farm income averaging on your federal return. Only Oregon-source farm income is considered elected farm income. Download Schedule OR-FIA-40-N

or Schedule OR-FIA-40-P from our website or contact us to order it.

If you use Schedule OR-FIA-40-N to calculate your tax, enter the tax amount from Schedule OR-FIA-40-N, line 19, on Form OR-40-N, line 46, and check box 46a.

If you use Schedule OR-FIA-40-P to calculate your tax, enter the tax amount from Schedule OR-FIA-40-P, line 18, on Form OR-40-P line 44, and check box 44a.

Don't include Schedule OR-FIA-40-N or Schedule OR-FIA-40-P with your Oregon return. Keep it with your records.

Farm asset capital gain method. Did you sell or exchange capital assets primarily used in farming because you were getting out of a farming business? Or, did you sell or exchange a farming business in which you held at least a 10 percent ownership interest? If so, you may be eligible for a reduced tax rate on the net capital gain from the proceeds. Download Worksheet OR-FCG from our website or contact us to order it.

Nonresidents. Enter the tax amount from Worksheet OR-FCG, line 9 on Form OR-40-N, line 46 and check box 46b.

Part-year residents. Enter the tax amount from Worksheet OR-FCG, line 9 on Form OR-40-P, line 44 and check box 44b.

Don't include Worksheet OR-FCG with your return. Keep it with your records.

Oregon qualified business income reduced tax rate. Did you have business income from a sole proprietorship, partnership, or S corporation in which you materially participated? If so, you may qualify to use this reduced tax rate. For details, see Schedule OR-PTE-NR or OR-PTE-PY on our website or contact us to order it.

Note: If you elect to use this reduced tax rate for qualifying income, the election is irrevocable and must be made on your original return. An original return includes an amended return filed on or before the due

date, including extensions. **You can't change the election after your original return has been filed.**

Nonresidents. Enter the tax amount from Schedule OR-PTE-NR, line 14a on Form OR-40-N, line 46 and check box 46c.

Part-year residents. Enter the tax amount from Schedule OR-PTE-PY, line 19a on Form OR-40-P, line 44 and check box 44c.

Include the schedule with your Oregon return or submit it at www.oregon.gov/dor; click the link for Revenue Online and log in or create an account.

Interest on certain installment sales. Did you have installment sales that required you to pay interest on the deferred tax liability for federal purposes? If so, you must also compute interest for Oregon using the same method as for federal. For 2019 and 2020, the interest rate is 6 percent per year, or 0.5 percent (0.005) per month.

Nonresidents. Use only those installment obligations from dispositions of Oregon property.

Credits—Nonrefundable

Nonrefundable credits can't be more than your Oregon tax liability. **Carryforward credits** allow you to claim unused amounts in a later year. **Standard credits** can't be used in any other year. For more information about nonrefundable credits, see the instructions for Schedule OR-ASC-NP or "Credits" in Publication OR-17.

Exemption credit. If your federal AGI is more than \$200,000 (\$100,000 if your filing status is single or married filing separately), enter -0-; otherwise, use this worksheet to figure your exemption credit:

Tax payments and refundable credits

Oregon income tax withheld. Enter the total Oregon tax withheld from your wages and other income. State tax withheld from wages is shown in box 17 of Form W-2 and in the State area of various 1099 forms. **Don't** include the FICA (Social Security) tax withheld or tax withheld from your wages by other states. **You must include a legible, unaltered copy** of your Form W-2 from each job and any Form 1099 showing Oregon income tax withheld with your Oregon return.

If you don't have a Form W-2 or 1099, you must provide other proof of Oregon tax withheld. Proof may include a copy of a final paycheck stub or a letter from your employer. If you file before February 1, 2019, we can accept only a Form W-2 or 1099 as proof.

If you have tax to pay, you may want to increase the amount your employer or other payer withholds from your wages. For withholding information, go to www.oregon.gov/dor/personal.

Amount applied from your prior year's tax refund. Enter the amount of any prior-year refund you applied as a payment of 2019 estimated tax. If we adjusted your applied refund, be sure to use the adjusted amount. If you need to verify your applied refund amount, log into or create your Revenue Online account at www.oregon.gov/dor or contact us.

Estimated tax payments for 2019. Enter the total estimated tax payments you made before filing your 2019 Oregon return. For calendar-year filers, these payments were due July 15, 2019; June 17, 2019; September 16, 2019; and January 15, 2020. **Include all** payments you made up to the date you filed your original or amended return along with any payments from real estate transactions. **Don't include** the amount reported on Form OR-40-N, line 56; or Form OR-40-P, line 55. If you need to verify your estimated payments, log into or create your Revenue Online account at www.oregon.gov/dor or contact us.

Tax payments from a pass-through entity (PTE). If you're an owner of a PTE with Oregon-source income and you didn't join in the filing of a composite return to report that income, enter the amount of tax payments made by the PTE on your behalf. **Note:** Don't claim the tax paid on your behalf on the composite return, Form OR-OC, as a tax payment on your individual return. That payment was already used to pay the tax on the income reported on Form OR-OC.

Refundable credits. Refundable credits reduce the amount of tax that you owe. Any amount that is more than your tax liability is treated the same way as an overpayment. Refundable credits not explained here are claimed on Schedule OR-ASC-NP.

For more information about refundable credits, see the instructions for Schedule OR-ASC-NP or "Credits" in Publication OR-17.

Earned income credit. Oregon's earned income credit is a percentage of the earned income tax credit (EITC) claimed on your federal return. The percentage is based on the age of your **youngest** dependent at the end of the tax year. You may claim the Oregon earned income credit **only** if you qualify for the federal EITC. The credit must be prorated using your Oregon percentage from line 35. **Note to RDPs:** You may claim this credit if you would otherwise qualify for the EITC using your "as if" federal return.

Use Table 7 and the following worksheet to figure your credit.

Table 7. EIC percentage

Age of youngest dependent at end of tax year	Percentage of federal EITC
At least 3 years old, or no dependents	8 percent (0.08)
Younger than 3	11 percent (0.11)

Earned income credit worksheet

1. Enter your federal EITC from Form 1040 or 1040-SR, line 18a. 1. _____
2. Enter the percentage from the table as a decimal. 2. _____
3. Line 1 times line 2. 3. _____
4. Enter your Oregon percentage from line 35, as a decimal. 4. _____
5. Line 3 times line 4. This is your Oregon earned income credit. 5. _____

Kicker (Oregon surplus) credit. The Oregon surplus credit, known as the "kicker," is a way for state government to return some of your taxes to you when revenues are more than predicted. The Oregon Department of Administrative Services determines whether there is a surplus and the amount to be returned to taxpayers as a kicker. If there's a surplus, the kicker may be claimed on the return as a refundable tax credit. If there's no surplus, there's no kicker.

Eligibility. To be eligible for a kicker, you must:

1. File your 2018 Oregon return before you file your 2019 return.
2. Have an Oregon tax liability for 2018.
3. File a 2019 Oregon return, even if you don't otherwise have a filing requirement.

Kicker amount. In general, your kicker is a percentage of your total Oregon personal income tax liability for the prior year, as adjusted or amended. Your total personal income tax liability is your Oregon income tax before all payments or credits other than the credit for taxes paid to another state. For 2019, your kicker is 17.171 percent of your 2018 total Oregon personal income tax liability.

Amended 2018 returns. If your 2018 return is amended or adjusted **after** you file your 2019 return, we will automatically adjust your kicker amount. If the changes to your 2018 return reduce your tax liability, your kicker amount may be reduced as well. If so, we may send you a bill for the amount of the reduction along with any interest or penalty.

Kicker donation. Personal income taxpayers may elect to donate their kicker to the Oregon State School Fund for public K-12 education. **This election is irrevocable.** When you file your return, you must choose to do one of the following:

- Claim **all** of your kicker credit; **or**
- Donate **all** of your kicker to the State School Fund.

If you want to donate only a part of your kicker, you first have to claim all of your kicker credit on your return. Then, once you receive it, use it to make your donation. The Oregon State School Fund's address is:

Oregon Department of Education
Attn: OFA Cashier
255 Capitol St NE
Salem OR 97301

How to calculate your kicker amount

Online assistance. We can calculate your kicker amount for you at Revenue Online if:

- Your filing status was the same for 2018 and 2019, and
- If you were married and filing a joint return for 2019, your spouse was the same for both years.

Click on Revenue Online at www.oregon.gov/dor and look for "What's My Kicker?"

Kicker worksheet. This worksheet can help you calculate your kicker amount. It's divided into three parts:

- Part A— Calculate your 2018 total personal income tax liability and kicker amount.
- Part B— Prorate your total personal income tax liability, if necessary.
- Part C— Add individual kicker amounts together for joint 2019 returns, if necessary.

If you're completing Part B or Part C, you may need to use Part A or Part B more than once.

Same filing and marital status. For most taxpayers, all you need to do is multiply your 2018 total Oregon personal income tax liability times 0.17171. You can also use Part A of the worksheet.

Change in filing or marital status. Some taxpayers who filed a joint return for 2018 must prorate their kicker based on their share of 2018 federal AGI. Some taxpayers whose filing or marital status was different in 2018 may need to combine their kickers on a joint 2019 return. Use Table 8 to see if you need to prorate your kicker using Part B and/or combine your kickers using Part C.

Table 8: Prorated and/or combined kickers

Complete Parts A, B, and C if:		
Your filing status in 2018 was:	And your 2019 filing status is:	And:
Joint	Joint	You were married in 2019 and you (or your spouse, or both) had a different spouse in 2018.
Non-joint	Joint	You were married in 2019 and your spouse had a different spouse in 2018.
Non-joint	Joint	You were married in 2019 and neither of you were married in 2018. (You may skip Part B.)
Complete Parts A and B if:		
Your filing status in 2018 was:	And your 2019 filing status is:	And:
Joint	Non-joint	You were divorced in 2019 or you're married but filing separate returns.
Joint	Non-joint	Your spouse died in 2018 and their personal representative or estate is filing a separate 2019 return on their behalf.
Optional: Complete Part A if:		
Your filing status in 2018 was:	And your 2019 filing status is:	And:
Joint	Joint	You had the same spouse in both 2018 and 2019.
Non-joint	Non-joint	
Joint	Joint or non-joint	Your spouse died in 2018 and no separate 2019 return is being filed on their behalf, or your spouse died in 2019.

Deceased taxpayer. The surviving spouse of a deceased taxpayer may claim the full amount of the kicker if a joint return was filed for 2018. A deceased taxpayer's personal representative may file a 2019 return on the taxpayer's behalf to claim their kicker.

How do I find my 2018 total Oregon personal income tax liability?

Use Table 9 and your 2018 Oregon return to locate your tax before credits and any credit(s) you claimed for income taxes you paid to another state (using code 802 or 815) on Schedule OR-ASC or OR-ASC-NP.

Table 9: Where to find tax liability

If you filed:	Tax before credits:	Credits using code 802 or 815 from:
Form OR-40	Line 22	Schedule OR-ASC, Section 3
Form OR-40-N	Line 48	Schedule OR-ASC-NP, Section 5
Form OR-40-P	Line 47	

Kicker worksheet

Part B—Prorated kicker.

See Table 8. Complete lines 5 through 8 only if you filed a joint return in 2018 and your 2019 filing status is non-joint or joint but with a different spouse. Before you start, determine your share of 2018 federal AGI.*

5. Federal AGI for 2018. Form OR-40, line 7; Form OR-40-N or OR-40-P, line 29F. 5. _____
6. Your share of federal AGI for 2018. 6. _____
7. Line 6 divided by line 5. Round to two decimal places. 7. _____
8. Line 4 times line 7. This is your prorated kicker. 8. _____

Part C – Combined kicker.

Complete part C only if you're filing a joint return for 2019 and you and your spouse didn't file a joint return together for 2019.

9. Kicker amount from your worksheet, line 4 (or line 8 if you completed Part B). 9. _____
10. Your spouse's kicker from their worksheet, line 4 (or line 8, if they completed Part B). 10. _____
11. Line 9 plus line 10. This is your combined kicker. 11. _____

*Consider each spouse's individual income or adjustments, such as wages, pensions, or self-employment tax, and use a reasonable method to divide joint income or adjustments, such as capital gains from the sale of jointly-owned property or interest on joint bank accounts. If the 2018 federal AGI on a joint return was zero or less, but the Oregon tax liability was more than zero, contact us for help.

Example 1. Hudson and Olivia each filed their 2018 Oregon returns using the single filing status. Hudson's tax liability was \$8,000 and he claimed a \$500 credit for income taxes paid to another state on Schedule OR-ASC. Olivia's tax liability was \$3,000, and she paid state income tax only to Oregon. Hudson and Olivia were

married in 2019 and are filing a joint Oregon return. They each complete Part A of the worksheet as follows:

Hudson's worksheet:

Part A:

1. Tax before credits	\$ 8,000
2. Credit for tax paid	— 500
3. Total personal tax liability	\$ 7,500
4. Line 3 times 0.17171	\$ 1,288

Olivia's worksheet:

Part A:

1. Tax before credits	\$ 3,000
2. Credit for tax paid	— 0-
3. Total personal tax liability	\$ 3,000
4. Line 3 times 0.17171	\$ 515

They skip Part B because neither one filed a joint return for 2018. They complete Part C to find their combined kicker:

9. Hudson's kicker from line 4 of his worksheet	\$ 1,288
10. Olivia's kicker from line 4 of her worksheet	\$ 515
11. Line 9 plus line 10	\$ 1,803

Hudson and Olivia's combined kicker is \$1,803.

Example 2: Ella and Emerson filed a joint 2018 Oregon return. They were divorced in 2019 and are filing separate returns. On their 2018 return, their tax before credits was \$6,500, and they had a \$300 credit for income tax they paid to another state. Their 2018 federal AGI was \$90,000; Ella's share was \$40,000 and Emerson's share was \$50,000. Each completes Parts A and B of the worksheet to find their prorated kicker.

Ella's worksheet:

Part A:

1. Tax before credits	\$ 6,500
2. Credit for tax paid	— 300
3. Total personal tax liability	\$ 6,200
4. Line 3 times 0.17171	\$ 1,065

Part B:

5. Federal AGI	\$ 90,000
6. Ella's share of AGI	\$ 40,000
7. Line 6 divided by line 5	0.44
8. Line 4 times line 7	\$ 469

Emerson's worksheet:

Part A:

1. Tax before credits	\$ 6,500
2. Credit for tax paid	— 300
3. Total personal tax liability	\$ 6,200
4. Line 3 times 0.17171	\$ 1,065

Part B:

5. Federal AGI	\$ 90,000
6. Emerson's share of AGI	\$ 50,000
7. Line 6 divided by line 5	0.56
8. Line 4 times line 7	\$ 596

Ella's prorated kicker is \$469 and Emerson's prorated kicker is \$596.

Example 3: Cortney and Orlando filed a joint Oregon return in 2018. Their Oregon tax before credits was \$7,500, and they didn't pay income taxes to any other state. Their federal AGI was \$80,000; Cortney's share was \$48,000 and Orlando's share was \$32,000. They were divorced in early 2019, and Cortney married Justin later that year. Justin had filed a non-joint Oregon return for 2018. His Oregon tax before credits was \$2,000 and he claimed a \$200 credit for taxes paid to another state. Orlando didn't remarry in 2019. Orlando, Cortney, and Justin figure their kickers as follows:

Orlando's worksheet:

Part A:

1. Tax before credits	\$ 7,500
2. Credit for tax paid	<u> -0-</u>
3. Total personal tax liability	\$ 7,500
4. Line 3 times 0.17171	\$ 1,288

Part B:

5. Federal AGI	\$ 80,000
6. Orlando's share of AGI	\$ 32,000
7. Line 6 divided by line 5	0.40
8. Line 4 times line 7	\$ 515

Cortney's worksheet:

Part A:

1. Tax before credits	\$ 7,500
2. Credit for tax paid	<u> -0-</u>
3. Total personal tax liability	\$ 7,500
4. Line 3 times 0.17171	\$ 1,288

Part B:

5. Federal AGI	\$ 80,000
6. Cortney's share of AGI	\$ 48,000
7. Line 6 divided by line 5	0.60
8. Line 4 times line 7	\$ 773

Justin's worksheet:

Part A:

1. Tax before credits	\$ 2,000
2. Credit for tax paid	<u> -200</u>
3. Total personal tax liability	\$ 1,800
4. Line 3 times 0.17171	\$ 309

Justin skips Part B because he filed a non-joint return for 2018. He and Cortney complete Part C:

9. Cortney's kicker from line 8 of her worksheet	\$ 773
10. Justin's kicker from line 4 of his worksheet	\$ <u>309</u>
11. Line 9 plus line 10	\$ 1,082

Cortney and Justin's combined kicker is \$1,082. Orlando's kicker is \$515.

Claim your kicker credit. If you're claiming your kicker credit, enter the amount from line 4, line 8, or line 11 of the worksheet, as applicable, on Form OR-40-N, line 60, or Form OR-40-P, line 59.

Donate your kicker. If you elect to donate your kicker to the Oregon State School Fund, enter **-0-** on Form OR-40-N, line 60 or Form OR-40-P, line 59 and see the instructions for Form OR-40-N, line 76 or Form OR-40-P, line 75. **Reminder: This election is irrevocable.**

Note about offsets: If you claim the kicker credit and it reduces your 2019 tax liability to zero, any excess will be treated like a refund of overpaid tax. This means that it may be offset (applied as a payment) against any tax or other liabilities you owe before the balance is refunded to you or applied (see **Refund applications**, above). If you donate your kicker, it may be used first to offset tax or other liabilities you owe, with any remaining amount donated to the Oregon State School Fund. If this happens, we'll send you a notice to let you know.

Total refundable credits from Schedule OR-ASC-NP. Enter your total refundable credits from Schedule OR-ASC-NP, section 7. **Include Schedule OR-ASC-NP with your return.**

Penalties and interest

Your 2019 tax must be paid by **July 15, 2020**, even if you requested an extension of time to file your return. Your 2019 return must be filed by July 15, 2020. If you requested an extension, your return must be filed by October 15, 2020.

Round the total of penalties and interest to the nearest whole dollar. For more information and examples showing how penalties and interest are calculated, see "Interest and penalties" in Publication OR-17.

Penalties

Penalty amounts are based on the tax after all credits shown on your return. To find your tax after all credits, start with your tax after standard and carryforward credits (Form OR-40-N, line 54; Form OR-40-P, line 53), then subtract the refundable credit amounts (Form OR-40-N, lines 59, 60, and 61; Form OR-40-P, lines 58, 59, and 60).

- **Failure-to-file penalty.** Include a penalty for failure to file a return if:
 - Your return is filed more than three months after the due date (or extension due date); **and**
 - You didn't pay all of your tax by July 15, 2020.

The penalty for failure to file is 20 percent of your tax after all credits that wasn't paid by July 15, 2020.

- **Failure-to-pay penalty.** Include a penalty for failure to pay if:
 - Less than 90 percent of your tax after all credits was paid by July 15, 2020, **or**
 - You paid at least 90 percent of your tax after credits by July 15, 2020 **but** you aren't paying the balance of unpaid tax in full when you file.

The penalty for failure to pay is 5 percent of your tax after all credits that wasn't paid by July 15, 2020.

Failure to file and pay. If both penalties apply, your total penalty will be 25 percent of your tax after all credits that wasn't paid by July 15, 2020.

Interest on unpaid tax

You'll owe interest on the amount of tax that wasn't paid by July 15, 2020. Interest starts accruing on July 16, and continues to accrue every day, including the date of your payment.

Interest is figured daily, based on a 365-day year. The annual interest rate for 2020 is 6 percent, or 0.0164 percent per day.

To figure your interest, count the number of days starting with July 16, 2020 and ending with the date of your payment. Multiply your unpaid tax by the number of days, then multiply by 0.000164 (the daily rate converted to a decimal).

Interest rate increase. If we bill you for unpaid tax, and the tax isn't paid in full within 60 days from the date of our billing notice, the annual interest rate increases by 4 percentage points, to 10 percent.

Amended return. If you're amending your return, calculate the interest based on the additional amount of tax you must pay (line 5 of the **Amended worksheet**).

Interest on underpayment of estimated tax. Underpayment interest is charged if:

- Your tax after all credits and withholding is \$1,000 or more;
- You were required to make estimated tax payments;
- One or more of your required installments was underpaid; **and**
- You don't qualify for an exception.

Note: You could be charged interest on underpayment of estimated tax even if Form OR-40-N, line 63 or Form OR-40-P, line 62 shows a refund.

See Publication OR-10 to determine if you owe underpayment interest or qualify for an exception. Download the publication from our website or contact us to order it.

If you owe underpayment interest, enter the amount from line 33 of Form OR-10. If you qualify for an exception, enter the exception number from line 1 of the form inside box 66a on Form OR-40-N or box 65a on Form OR-40-P. If you used Worksheet OR-10-AI to figure your interest, check box 66b on Form OR-40-N or box 65b on Form OR-40-P. **Include Form OR-10 with your return** (along with any required statements if you're claiming an exception). Keep Worksheet OR-10-AI with your records.

Amount due

Amount you owe. Enter your total unpaid tax plus penalties and interest. **Note:** If you have an overpayment on Form OR-40-N, line 63 or Form OR-40-P, line 62 **and** the overpayment is less than the total penalties and interest you entered on Form OR-40-N, line 67 or Form OR-40-P, line 66:

- On Form OR-40-N, enter the amount from line 67 minus the amount on line 63.
- On Form OR-40-P, enter the amount from line 66 minus the amount on line 62.

Payment options

You may pay electronically with your checking or savings account, credit card, check, cashier's check, or money order. Cash payments can be made only at our main office in Salem. If the amount due is less than \$2, no payment is required.

Electronic payment from your checking or savings account

You can pay your current year income taxes, 2020 estimated income taxes, any prior year taxes due, and amended return taxes directly from your checking or savings account. There is no fee to use this service.

This option is available only through our website. Go to Revenue Online at www.oregon.gov/dor.

Direct debit may be available with e-filed returns at the time of filing.

Credit card payments

You can pay with your Discover, MasterCard, or Visa credit card. The service provider **will charge** you a convenience fee. The service provider will tell you what the fee is during the transaction; you will have the option to continue or cancel the transaction before entering your credit card information. If you complete the credit card transaction, you will receive a confirmation number. **Keep this confirmation number as proof of payment—don't send it with your return.**

To pay by credit card, go to Revenue Online at www.oregon.gov/dor.

Check or money order

- Make your check or money order payable to “**Oregon Department of Revenue.**”
- Write **all** of the following on your payment:
 - The tax year (2019).
 - The form you're filing (Oregon Form OR-40-N or OR-40-P).
 - The last four digits of your SSN or ITIN.
- Use blue or black ballpoint ink. Don't use red or purple ink or gel pens.
- Don't send cash or a postdated check.

Form OR-40-V. Use the voucher **only** if you're making a separate payment by check, cashier's check, or money order. **Don't** use the voucher if you're including a payment with your return or making an electronic payment.

Payment plan. If you can't pay in full now, pay what you can. Contact us and we will help you set up a payment plan for the amount you don't pay with your return.

Refund

Refund. Enter your overpayment minus any penalty or interest (Form OR-40-N, line 63 minus line 67; Form OR-40-P, line 62 minus line 66). **Note:** If the total penalty and interest is more than your overpayment, see

the instructions for Form OR-40-N, line 68 or Form OR-40-P, line 67.

You have three years from the due date of the return to file a claim for your refund. By law, we can't issue a refund if you file your return more than three years after the return's due date (excluding extensions) or if the refund is less than \$1. For more information about the time limit for claiming a refund, see “Payments and refunds” in Publication OR-17.

Interest on refunds. See “Payments and refunds” in Publication OR-17 for information about interest paid on refunds.

Refund applications

If Form OR-40-N, line 69 or Form OR-40-P, line 68 shows a refund, you may use some or all of it to:

- Make an estimated tax payment for a later year.
- Donate to one or more of the charitable organizations listed on Schedule OR-DONATE.
- Make a deposit to an Oregon college or MFS 529 savings account.

Each of these applications will reduce your refund. The combined total of all applications can't be more than the amount of your refund.

Note: A refund of overpaid tax will be offset against outstanding debt before any amount is applied or refunded to you.

Instructions for amended returns. If line 5 of the **Amended worksheet** shows a refund, you can use some or all of it for the refund applications listed above. However, you **can't reduce** any amounts you've already applied from a refund on your original return. See the instructions for each application for details.

Open estimated tax account. Enter the amount of your refund you want to apply as a tax payment for a later year. This amount will be applied to your **open** estimated tax account (to a year where you **will be** filing a tax return). Generally, unless you're filing a delinquent or amended return, the payment will be applied to the 2020 tax year. For more information, see “Payments and refunds” in Publication OR-17.

Instructions for amended returns. Enter the amount, if any, from a refund on your original return that you've already applied as an estimated tax payment for a later year. If line 5 of the **Amended worksheet** shows a refund and you want to apply some or all of it as an estimated tax payment, include the amount you want to apply.

Charitable checkoff. Enter the amount from line 30 of Schedule OR-DONATE. For more information, see the schedule instructions.

Note: If your refund—after being applied to an open estimated tax account—is less than your total donation amount, your donations will be prorated.

To make direct donations instead, you can find each charity’s address listed on our website. Don’t mail your donations to us.

Instructions for amended returns. Enter the amount, if any, from a refund on your original return that you applied as charitable donations using Schedule OR-DONATE. If line 5 of the **Amended worksheet** shows a refund, you can donate some or all of it to one or more of the listed charities. Include this amount and an amended Schedule OR-DONATE with your amended return. **Note:** The refund from your amended return will be applied as a donation for the calendar year in which you’re filing it.

Instructions for amended returns. Enter the amount, if any, from a refund on your original return that you applied as an Oregon college or MFS 529 savings plan deposit. If line 5 of the **Amended worksheet** shows a refund, add the amount you want to apply as a deposit and include an amended Schedule OR-529 with your amended return. The refund will be applied for the year in which you’re filing the amended return.

Net refund. You must **reduce your refund** by any amounts applied to your open estimated tax account, charitable checkoff donations, and Oregon college or MFS 529 savings plan accounts. **By law, we can’t issue or apply a refund if you file your return more than three years after the return’s due date (excluding extensions).**

Direct deposit

Form
OR-40-N 75

Form
OR-40-P 74

In most cases, we can deposit your refund directly into your checking or savings account instead of mailing you a check. However, federal banking regulations prevent us from making a refund by direct deposit if the final destination is an account outside the U.S. In that case, we must issue a paper check instead.

Before you enter your information, verify that your deposit will be accepted and confirm your correct routing and account numbers. You can find a diagram of a personal check showing where these numbers are located in the “Payments and refunds” section of Publication OR-17.

Follow these steps to make sure your refund will be deposited into the correct account:

1. **Check the box** if the final destination for your refund would be an account outside the U. S. **Note:** If you check this box, you will be issued a paper check.
2. **Check the appropriate box, either checking or savings, but not both.**
3. **Enter your nine-digit routing number.** Routing numbers begin with the digits 01 through 12, 21 through 32, or 61 through 72.
4. **Enter your account number.** Account numbers can be up to 17 characters (both numbers and letters). Don’t include hyphens, spaces, or special symbols.
5. **Double-check** the account and routing numbers. **These numbers can’t be changed after the return is filed.**

To make the donation:

1. See the instructions for Form OR-40-N, line 60 or Form OR-40-P, line 59 to calculate your kicker amount.
2. Make sure that you’ve entered -0- on Form OR-40-N, line 60 or Form OR-40-P, line 59.

3. Check box 76a on Form OR-40-N or box 75a on Form OR-40-P.

Signature(s). Be sure to sign and date your return. If you're filing a joint return, both taxpayers must sign. By signing the return, you acknowledge, under penalty of false swearing, that the information on the return is true, correct, and complete.

Minor child's return. If your child can't sign their tax return, you may sign the child's name as their legal agent. Sign the child's name, then write "By [your signature], parent (or other legal guardian) of minor child."

Preparer signature. Anyone who prepares, advises, or assists in preparing personal income tax returns in exchange for compensation of any kind **must** be licensed to prepare Oregon returns and **must** sign the return.

Signing the return doesn't grant your preparer the right to represent you or make decisions on your behalf. See the *Tax Information Authorization and Power of Attorney for Representation* form and instructions on our website for more information.

Contact the following agencies to check the status of your Oregon tax practitioner:

- State Board of Tax Practitioners at (503) 378-4034 (Salem) for licensed tax consultants or preparers, or go to www.oregon.gov/obtp.
- State Board of Accountancy at (503) 378-4181 (Salem) for public accountants and certified public accountants, or go to www.oregon.gov/boa.

Before you file

Copy of federal return. Before you assemble your Oregon return, make a copy of both sides of your federal Form 1040 or 1040-SR along with Schedules 1 through 3 (as applicable), 1040-X, 1040-NR, or 1040-NR-EZ.

Don't include any other federal schedules or an extension request unless instructed otherwise. Keep these with your records; we may ask for them later.

If you created an "as if" federal return, use blue or black ink to label it "as if" on the top left corner. Include it along with the copy of your actual federal return (and any amendments).

Failure to include your federal return will delay processing, and items claimed on your Oregon return may be adjusted or denied.

Amended Oregon return. If you're amending your Oregon return due to changes to your federal return or a return you filed with another state, include a copy of your amended or corrected federal or other state return or audit report. If you're amending only your Oregon return, include a copy of your original federal or other state return.

Assemble your Oregon return. Assemble your return in the order shown below. If a form has more than one page, be sure that you've included all pages and that they're all from the same 2019 form. For example, if you're filing Schedule OR-WFHDC, be sure that "2019 Schedule OR-WFHDC" is printed at the top of each page and that you've included all three pages.

Important: Don't use staples, paperclips, tape, or other fasteners. Doing so will delay processing.

1. Payment by check or money order, if any. **Don't use a voucher.**
2. Form(s) W-2 and 1099 showing Oregon tax withheld.
3. Form OR-40-N or Form OR-40-P.
4. Schedule OR-A.
5. Schedule OR-ASC-NP.
6. Schedule OR-ADD-DEP.
7. Schedule OR-DONATE.
8. Schedule OR-529.
9. Schedule OR-PTE-NR or OR-PTE-PY.
10. Form OR-10.
11. Schedule OR-WFHDC.
12. Other Oregon schedules required to be included with your return.
13. If you're an RDP filing separately for Oregon, your RDP's Oregon return.
14. Your federal return(s) and schedules.

Note: If you're making an estimated tax payment for 2020 by check or money order, send the payment in a **separate envelope** with a completed Form OR-40-V. **Don't** include your 2020 payment or voucher with your 2019 return.

Avoid processing delays

Type or clearly print your name, SSN, date of birth, complete mailing address, and daytime phone number on your return.

Include all pages of your Oregon return.

Double-check your figures and other numbers, including your SSN. Errors will delay processing. Common mistakes are:

- Math errors.
- A wrong amount claimed for the federal tax liability subtraction.
- Using the wrong line or column on the tax tables.
- Using the wrong tax chart.

If you have tax to pay, review the instructions for Form OR-40-N, line 68 or Form OR-40-P, line 67.

Verify your account information if you're requesting a refund by direct deposit.

Sign your return. Both spouses must sign a joint return.

Include legible copies of all W-2 and 1099 forms showing Oregon income tax withheld. Place them on top of your return along with any payment by check, cashier's check, or money order.

Include a copy of your federal return (front and back) with your Oregon return. **Include** federal Schedules 1

through 3 (if applicable), but **don't include** other federal schedules unless otherwise instructed. Place it behind all Oregon forms and schedules.

Payment by check, cashier's check, or money order should be placed on top of your return. Don't mail cash. **Don't use a voucher.**

Don't use staples, paper clips, tape, or other fasteners.

Mail your return in a stamped envelope. Use a business-size (4 × 9½ inches) or larger envelope with adequate postage. Don't use a smaller envelope—it delays processing.

New information

Subtractions

- **Special Oregon medical subtraction.** You or your spouse must have turned age 65 by the end of the tax year to qualify for the subtraction. **Note:** Due to the extended decrease in the medical expense deduction floor in Public Law 116-94, the example on page 4 was updated on December 31, 2019.
- **Oregon college or MFS 529 savings plan and ABLE account limits.** Contribution limits have increased to \$4,865 for taxpayers filing joint returns and \$2,435 for all others. **Contributions must have been made by the end of tax year 2019 to qualify for this subtraction.** For more information, see Publication OR-17.
- **First-time home buyer subtraction.** If you're saving to purchase your first home, you can use a tax-favored account. Contributions and accounts earnings can be claimed as a subtraction. Limitations apply; see "First-time home buyer savings account" in Publication OR-17.
- **Updated December 2019: Tuition and fees.** Congress extended the deduction for qualified tuition and fees for tax year 2019 when it passed Public Law 116-94. You can find information about the related Oregon subtraction on page 2.

General instructions

In general. Use the schedule that matches the return form you're filing:

- Form OR-40 filers: Use Schedule OR-ASC.
- Form OR-40-N and Form OR-40-P filers: Use Schedule OR-ASC-NP.

Include the schedule when you file your return.

Note for Schedule OR-ASC-NP filers: Just as it is on your nonresident or part-year return, the federal column is where you enter amounts that would be reported on your Oregon return if you were a full-year resident. The Oregon column is for reporting amounts for the part of the year when you were a resident or had income from Oregon sources when you were a nonresident.

Not enough room? Use extra copies of the schedule if you need more space, and enter only the total(s) on your return. **Include any extra copies of the schedule when you file your return.**

Round all cents to the nearest dollar. For example, \$99.49 becomes \$99, and \$99.50 becomes \$100.

Codes. Every item entered on the schedule must be identified with a numerical code. A list of these can be found in Publication OR-CODES, included with these instructions. If you're using the same code for several amounts (other than code 802 or 815, for income taxes paid to other states), total the amounts and enter the **code only once**.

Section instructions

Follow the instructions below for completing each section of the schedule. Explanations are provided for some items that are commonly claimed by many taxpayers. For more details about these or other items, refer to Publication OR-17. **Note:** The instructions for the **Adjustments** and **Modifications** sections don't apply to Schedule OR-ASC filers.

Adjustments (codes 002–005)

Schedule OR-ASC-NP filers only: Section 1

Adjustments claimed on your federal return reduce your federal taxable income. For detailed information, see "Adjustments" in Publication OR-17.

Step 1: Enter adjustments you claimed on your federal return that aren't listed on Form OR-40-N or Form OR-40-P. Enter the code, the federal amount, and the Oregon amount for each adjustment. Use each code only once.

Step 2: Enter the totals for the federal and Oregon columns on Form OR-40-N or Form OR-40-P, lines 27F and 27S.

Additions (codes 103–165)

Additions are items the federal government doesn't tax but Oregon does. For detailed information, see "Additions" in Publication OR-17.

Step 1: **Schedule OR-ASC:** Enter the code and the amount of each addition in Section 1.

Schedule OR-ASC-NP: Enter the code, the federal amount, and the Oregon amount for each addition in Section 2. The federal and Oregon amounts may be different.

Use each code only once.

Step 2: Enter these total(s) on Form OR-40, line 8; Form OR-40-N or Form OR-40-P, lines 30F and 30S.

Subtractions (codes 300–361)

Subtractions are items the federal government taxes but Oregon doesn't. Some commonly claimed subtractions are explained below. **Note:** You can only subtract amounts that are included in your Oregon income. Amounts that aren't included in your Oregon income can't be subtracted. For detailed information, see "Subtractions" in Publication OR-17.

Step 1: **Schedule OR-ASC:** Enter the code and the amount of each subtraction in Section 2.

Schedule OR-ASC-NP: Enter the code, the federal amount, and the Oregon amount for each subtraction that isn't listed on the return in Section 3. The federal and Oregon amounts may be different, but the amount in the Oregon column can't be more than the amount in the federal column.

Use each code only once.

Step 2: Enter the total(s) on Form OR-40, line 13; Form OR-40-N or Form OR-40-P, lines 33F and 33S.

Federal pension income [code 307]. You may be able to subtract some or all of your federal pension included in 2019 federal income. This includes retirement benefits paid to the retiree or their beneficiary. It does not include disability payments if you have not reached the minimum retirement age. The subtraction amount is based on the number of months of federal service or points earned before and after October 1, 1991:

- **If all your months of federal service or points were before October 1, 1991,** subtract 100 percent of the taxable amount of federal pension income you reported on your federal return.
- **If you have no months of service or points before October 1, 1991,** you cannot subtract any federal pension income.
- **If your service or points occurred both before and after October 1, 1991,** subtract a percentage of the taxable federal pension income you reported on your federal return. To determine your percentage, divide your months of service or points earned before October 1, 1991, by your total months of service or points earned. Round to three places (example: 0.4576 = 45.8 percent). Once you determine your percentage, it will remain the same year to year.

For more than one pension, figure the percentage and subtraction amount separately for each pension. Add the separate amounts together to be reported on one line of Schedule OR-ASC or Schedule OR-ASC-NP.

Schedule OR-ASC-NP filers: Use the following worksheet to determine your subtraction amount for each column.

1. Federal pension included in the federal column, Form OR-40-N or Form OR-40-P, line 16F. 1. _____

2. Divide months of service or points earned before October 1, 1991, by total months of service or points earned. Round to three decimal places. 2. _____

Federal education credits (tuition and fees deduction) [code 308].

If you're claiming the American Opportunity or Lifetime Learning credit on your federal return, you may qualify for this subtraction. If you weren't allowed a federal tuition and fees deduction because you're claiming the federal credit, you may claim an Oregon subtraction for the amount you would have been allowed on your federal return. You can claim your expenses, up to the federal limit (\$4,000 or \$2,000, depending on your income), unless:

- Your filing status is married filing separately;
- Another person can claim you as a dependent on their return;
- Your federal modified adjusted gross income is more than \$80,000 (\$160,000 if your filing status is married filing jointly); or
- You're claiming a deduction for these expenses on your federal return.

Schedule OR-ASC-NP filers:

Federal column. Enter the amount of the tuition and fees deduction you would have claimed on your federal return if you hadn't claimed the federal credit. The maximum deduction you can claim is \$4,000 or \$2,000, depending on your income.

Oregon column. For the part of the year you were a nonresident, calculate your subtraction using the following formula:

$$\frac{\text{Oregon source income while a nonresident}}{\text{Total income while a nonresident}} \times \frac{\text{Qualified tuition and fees paid while a nonresident}}{\text{Total income while a nonresident}} = \text{Nonresident deduction}$$

Add the amount of qualified education expenses you paid while an Oregon resident. Enter the smaller of this amount or the amount entered in the federal column.

Interest and dividends on U.S. bonds and notes [code 315].

Subtract interest and dividends from qualifying U.S. bonds reported on your federal return, such as interest from U.S. Series EE and I Bonds. See this topic under “Subtractions” in Publication OR-17 for a complete list of qualifying bonds and notes.

Schedule OR-ASC-NP filers:

Federal column. Enter qualifying interest or dividends that you reported on line 8F or 9F of the federal column on your return.

Oregon column. Enter qualifying interest or dividends that you reported on line 8S or 9S of the Oregon column of your return.

Oregon income tax refund [code 325 , Schedule OR-ASC-NP filers only]. This subtraction is for Oregon state income tax refunds only. Do not include other local, county, or other states’ tax refunds.

Schedule OR-ASC filers: This subtraction is reported on line 12 of Form OR-40, not on this schedule.

Schedule OR-ASC-NP filers:

Federal column. Enter your Oregon state income tax refund only if you included it on line 10F of the federal column on your return.

Oregon column. Enter your Oregon state income tax refund only if you included it on line 10S of the Oregon column on your return.

Special Oregon medical subtraction [code 351]. You may qualify for the special Oregon medical subtraction if:

- You or your spouse turned age 65 by the end of the tax year;
- Your federal adjusted gross income (AGI) isn’t more than \$200,000 (\$100,000 if your filing status is single or married filing separately); and
- You or your spouse have qualifying medical or dental expenses.

Medical or dental expenses qualify if they can be included in itemized deductions. See IRS Publication 502 to see which expenses qualify.

You can’t subtract expenses:

- For anyone under age 65;
- For dependents, regardless of their age; or
- That are deducted elsewhere on your return.

If you qualify, use the **Special Oregon medical subtraction worksheet** and the limits in Table 1 to determine the amount of your subtraction.

Shared expenses. Did you have medical expenses or dental expenses for more than one person? If so, you must determine which expenses belong to each qualifying taxpayer. Start by totaling all expenses for each qualifying taxpayer. If you have expenses that are for more than one person, such as insurance premiums, split the expense by the most reasonable method. For example, two qualifying taxpayers filing jointly who paid \$4,000 in insurance premiums during the year could split the expenses in half, or \$2,000 each. For more information and examples, see “Special Oregon medical” under “Subtractions” in Publication OR-17.

Special Oregon medical subtraction worksheet instructions

For worksheet lines 1 through 7, complete column (A) for yourself first, then complete column (B) for your spouse.

Line 1: Medical and dental expenses for each taxpayer—Enter each person’s qualifying medical and dental expenses that you’re claiming as itemized deductions on Schedule OR-A. Enter your expenses in column (A) and your spouse’s expenses in column (B). If you’re not including medical expenses in your Oregon itemized deductions or you’re claiming the standard deduction on your Oregon return, skip lines 2–4, enter the amount from line 1 on line 5, and go to line 6.

Line 2: Total medical and dental expenses—Enter the total medical and dental expenses you’re claiming as an itemized deduction (Schedule OR-A, line 1).

Line 3: Line 1 divided by line 2. Round to three decimal places. For example, 0.7308 is rounded to 0.731.

Line 4: Enter the lesser of the amount on line 2, above, or the amount on line 3 of your Schedule OR-A.

Line 5: Multiply line 3 times line 4 and round to whole dollars. (For example: \$101.49 is rounded to \$101.)

Line 6: Enter the maximum allowable medical subtraction for your filing status and federal AGI from Table 1. Don’t enter more than \$1,800 in each column.

Line 7: Enter the smaller of line 5 or line 6.

Line 8: Combine the amounts from line 7, columns (A) and (B). This is your special Oregon medical subtraction. Enter this amount in section 2 of Schedule OR-ASC or in both the federal and Oregon columns on Schedule OR-ASC-NP, Section 3.

Example 1. Jerry and Claudia were ages 66 and 65 on December 31, 2019. They are filing a joint nonresident return with a federal AGI of \$55,000 and Oregon source income of

\$40,000. They are itemizing deductions for Oregon. In 2019, they paid \$5,700 in medical expenses that they claimed on Schedule OR-A. Of that, \$3,500 was for Jerry’s expenses, \$1,000 for Claudia’s expenses, and \$1,200 for Claudia’s mother, whom they claim as a dependent. Both Jerry’s and Claudia’s expenses qualify for the special Oregon medical subtraction. Since Claudia’s mother is a dependent, her expenses don’t qualify for the subtraction. Jerry and Claudia determine their subtraction as follows.

Special Oregon medical subtraction worksheet

1. Medical and dental expenses for each qualifying taxpayer.	1. <u>\$3,500</u>	1. <u>\$1,000</u>

Modifications (codes 600–652)

Schedule OR-ASC-NP filers only: Section 4

Modifications are items that further adjust your Oregon taxable income. For detailed information, see “Additions,” “Subtractions,” or “Other items” in Publication OR-17.

Step 1: Enter the code and the amount of any modifications that aren’t listed on the return. **Use each code only once.** Use a minus sign if the modification is negative.

Step 2: Enter the total on Form OR-40-N or Form OR-40-P, line 41.

Standard credits (codes 802–815)

Schedule OR-ASC: Section 3

Schedule OR-ASC-NP: Section 5

Standard credits are nonrefundable credits that can only be claimed on the current year's tax return. Credit amounts that aren't used in the current tax year are lost. If you're also claiming carryforward or refundable credits, use your standard credits first. For detailed information, see "Standard credits" in Publication OR-17.

Schedule OR-ASC-NP filers: Some Oregon credits must be multiplied by your Oregon percentage. These prorated credits are signified by "PR" on Publication OR-CODES. To prorate a credit, multiply the credit amount by your Oregon percentage on line 35 of Form OR-40-N or Form OR-40-P before you enter it on Schedule OR-ASC-NP.

- Step 1: Enter the code and the amount for each credit you're claiming with a code between 802–815. If you're using code 802 or 815 to claim credits for taxes paid to more than one other state on income that was also taxed by Oregon, enter each credit on a separate line. **Except for codes 802 and 815, use each code only once.**
- Step 2: If you're claiming a credit for income taxes paid to another state, enter that state's two-letter postal abbreviation in the corresponding box. If you aren't claiming this credit, leave this box blank.
- Step 3: Enter the total standard credit amount on Form OR-40, line 25; Form OR-40-N, line 50; or Form OR-40-P, line 49.

Carryforward credits (codes 835–871)

Schedule OR-ASC: Section 4

Schedule OR-ASC-NP: Section 6

Carryforward credits are nonrefundable credits for which any unused portion in the current tax year may be carried forward to the next tax year. The number of years that a credit can be carried forward varies according to the carryforward rules of that credit.

When we process your return, we'll apply your credits against your tax in the order in which they're listed on the schedule. If you're claiming more than one type of carryforward credit and the total you can use is more than your tax liability for the year, enter your credits in the order in which they expire. Start with credits that expire earlier, followed by credits that expire later. **List all credits you have available even if you can't use them this year.** See Example 4.

For detailed information, see "Carryforward credits" in Publication OR-17.

For each credit with a code between 835 and 871, you'll enter three amounts:

- **Amount from prior year:** This is the amount, if any, that was available in a prior year but wasn't used because it was more than your tax liability. See Example 3.
- **Amount awarded this year:** The amount awarded is the amount of credit that is available for you to claim for the first time in 2019. For some credits, the full amount is awarded all at once (see Example 2), but for others, only a portion is awarded each year for a number of years (see Example 5). Report only the amount of the credit that is awarded for this year.
Note for Schedule OR-ASC-NP filers: Some credits must be prorated using your Oregon percentage for the year they're awarded. Prorated credits are signified by "PR" in Publication OR-CODES. To prorate a credit, multiply this year's Oregon percentage (line 35 of Form OR-40-N or Form OR-40-P) times the amount of the credit that's available for the first time this year. Enter the result on Schedule OR-ASC-NP as the amount awarded this year.
- **Total used this year:** The amount carried forward from a prior year plus the amount awarded this year, up to your 2019 tax liability, is your total amount of credit used this year. **Note:** The total of all carryforward credits used can't be more than your 2019 tax liability. If the total is more than your tax liability, you'll need to reduce the amount of one or more credits that you're using. See Example 6. **Note:** If an annual limit applies to the amount of a credit that can be used in one year, the total used for that credit can't exceed the limit, even if the credit amount you can use is less than your tax liability for the year.

Step 1: Enter the carryforward codes in the order that you would like to claim each credit. Combine amounts if you're claiming more than one amount per credit code. **Use each code only once.**

Step 2: In the "Amount from prior year" column, enter the total amount of the credit that was available but couldn't be used in a prior year and was carried forward to tax year 2019. If no amount of the credit was carried forward to 2019, enter -0-. Don't enter amounts used in 2018; only enter unused amounts.

Step 3: In the "Amount awarded this year" column, enter the credit amount that is available for you to use for the first time in 2019. **Schedule OR-ASC-NP filers:** Follow the instructions above if a credit must be prorated.

Step 4: In the "Total used this year" column, enter the credit amount you're using this year. This amount can't be more than the combined total of the "Amount from prior year" and the "Amount awarded this year" for that credit. If 2019 isn't the last year for a carryforward to be claimed, any excess credit not used this year may be carried forward to tax year 2020.

Step 5: Add up the carryforward credits you're using this year. Enter the total on Form OR-40, line 28; Form OR-40-N, line 53; or Form OR-40-P, line 52. The total of all carryforward credits can't be more than your tax on Form OR-40, line 27; Form OR-40-N, line 52; or Form OR-40-P, line 51. If your carryforward credits total more than your tax, reduce one or more of the carryforward credits you're using this year.

Example 2. In 2019, Neil and David received a \$25,000 credit for contributing to the Child Care Fund. For 2019, their tax reported on Form OR-40-P, line 51 is \$16,500. This credit is not multiplied by the Oregon percentage. Here's how they enter their credit information on Schedule OR-ASC-NP:

Code	Amount from prior year	Amount awarded this year	Total used this year
841	\$0.00	\$25,000.00	\$16,500.00
	.00	.00	.00
	.00	.00	.00

Neil and David will carry forward \$8,500 (\$25,000–\$16,500) to tax year 2020.

Example 3. Use the same facts as Example 2, except that Neil and David also contributed to the Child Care Fund in 2018. Their 2018 credit was \$10,000. They were able to use \$3,000 and carried forward \$7,000 to 2019. Here's how they enter the information for the 2018 and 2019 credits on the same line:

Code	Amount from prior year	Amount awarded this year	Total used this year
841	\$7,000.00	\$25,000.00	\$16,500.00
	.00	.00	.00
	.00	.00	.00

When we process their return, we'll apply \$7,000 carried forward from 2018 to their tax first, and they'll carry forward \$15,500 [(\$7,000+\$25,000)–\$16,500] of their 2019 credit to tax year 2020.

Example 4. Valerie and Tony received a \$6,000 credit for contributing to a university venture development fund after moving to Oregon in 2019. This credit must be prorated using their Oregon percentage. Their 2019 Oregon percentage reported on Form OR-40-P, line 35 is 70 percent, so their amount awarded this year is \$4,200 (\$6,000 × 0.70). Their 2019 tax on Form OR-40-P, line 51 is \$0. Here's how they enter their credit information:

Code	Amount from prior year	Amount awarded this year	Total used this year
864	\$0.00	\$4,200.00	\$0.00
	.00	.00	.00
	.00	.00	.00

They enter the credit information even though they can't use it this year, and carry forward \$4,200 to tax year 2020.

Example 5. Senait installed a solar heating system for her backyard swimming pool in 2017. She was awarded a \$6,000 residential energy tax credit. The provisions of this credit limited the amount that can be used each year to \$1,500, plus any amount carried forward from the previous year. Senait was "awarded" \$1,500 for tax years 2017, 2018, 2019, and 2020. In 2017, Senait used \$500 of the credit and carried \$1,000 forward to 2018. In 2018, she used \$900 of the amount carried forward from 2017, and didn't use any of the amount awarded for 2018. She carried forward a total of \$1,600 (\$100 from 2017 plus \$1,500 from 2018) to the 2019 tax year.

Senait was also awarded a \$500 credit for making a donation to the Oregon IDA Initiative Fund in 2019.

The tax on Senait's 2019 Form OR-40, line 27, is \$3,400. Here's how she enters her credit information on Schedule OR-ASC:

Code	Amount from prior year	Amount awarded this year	Total used this year
861	\$1,600.00	\$1,500.00	\$3,100.00
852	\$0.00	\$500.00	\$300.00
	.00	.00	.00

Because Senait's tax is \$3,400, she is able to use the entire \$1,600 residential energy credit carried forward plus the \$1,500 available this year. She also uses \$300 of the \$500 credit for her donation to the Oregon IDA Initiative Fund, and carries the remaining \$200 forward to tax year 2020.

Example 6. Chad and Jolene have \$3,200 of unused child and dependent care credit originally awarded in 2015 that they've carried forward to 2019. They qualified for a \$4,000 residential energy credit in 2017, with \$1,500 awarded for 2017, \$1,500 awarded for 2018, and the remaining \$1,000 awarded for 2019.

Both types of credits may be carried forward for five years after the year they were first awarded. The child and dependent care credit carryforward expires in 2020. Any residential energy credit carryforwards expire in 2022, 2023, and 2024, respectively. In 2017, Chad and Jolene used \$400 of the \$1,500 residential energy credit awarded that year, with \$1,100 carried forward to 2018. In 2018, they used another \$700 of their 2017 credit, with the remaining \$400 carried forward to 2019 along with the \$1,500 awarded for 2018.

Chad and Jolene moved out of Oregon in 2019, and are filing Form OR-40-P. Their 2019 Oregon percentage on line 35 of their return is 80 percent, and their tax on line 51 is \$4,500.

Because it expires soonest, Chad and Jolene use all \$3,200 of their child and dependent care credit carryforward first. After that, they'll use \$1,300 of their residential energy credit. Their prior-year amount is \$1,900 (\$400 from 2017 plus \$1,500 from 2018). The \$400 carried forward from 2017 will be used first, followed by \$900 carried forward from 2018. Here's how they enter their information on Schedule OR-ASC-NP:

Code	Amount from prior year	Amount awarded this year	Total used this year
840	\$3,200.00	\$0.00	\$3,200.00
861	\$1,900.00	\$1,500.00	\$1,300.00
	.00	.00	.00

The remaining \$600 (\$1,500 – \$900) of the residential energy credit awarded for 2018 will be carried forward, to be used no later than tax year 2023. The \$1,000 credit awarded for 2019 must be prorated using their 2019 Oregon percentage. They’ll carry \$800 ($\$1,000 \times 0.80$) of their 2019 credit forward, to be used no later than tax year 2024.

Refundable credits (codes 890–895)

Schedule OR-ASC: Section 5

Schedule OR-ASC-NP: Section 7

Like standard credits, refundable credits can be claimed only on the current year’s tax return, but any amount that is more than your tax will be refunded to you. For detailed information about other refundable credits, see “Refundable credits” in Publication OR-17.

Note for Schedule OR-ASC-NP filers: Some Oregon credits must be multiplied by your Oregon percentage. Prorated credits are signified by “PR” in Publication OR-CODES. To prorate your credit, multiply the credit amount by your Oregon percentage. This is the amount you can claim on your Oregon return.

Step 1: For credits with a code between 890-895, enter the code and the amount you’re claiming. **Use each code only once.** **Note for Schedule OR-ASC-NP filers:** For prorated credits, first multiply the credit amount by your Oregon percentage (Form OR-40-N or Form OR-40-P, line 35) , then enter the prorated amount on Schedule OR-ASC-NP, section 7.

Step 2: Add up all of the refundable credits reported on the schedule. Enter the total on Form OR-40, line 35; Form OR-40-N, line 61; or Form OR-40-P, line 60.
