v.

INTERNATIONAL ASSOCIATION OF  
FIREFIGHTERS, LOCAL 4619,

Respondent.

Case No. UC-001-14

REVOCATION OF  
CERTIFICATION OR  
RECOGNITION

On November 4, 2013, the Employment Relations Board (ERB) certified International Association of Firefighters, Local 4619 (IAFF) as the exclusive representative of a bargaining unit of employees of Central Oregon Coast Fire and Rescue District (District) described as:

All full-time, paid Fire District employees working for Central Oregon Coast Fire and Rescue District except for temporary, seasonal, supervisory, clerical, stipend volunteers, and confidential employees.

On January 29, 2014, Petitioner filed a timely petition under OAR 115-25-009 seeking to revoke the certification. Prior to beginning negotiations on a collective bargaining agreement between the District and IAFF, the District employees notified the District's Board that they intended to discontinue their representation by IAFF. Upon investigation, it was confirmed that no collective bargaining agreement applicable to this bargaining unit is in effect.

On February 10, 2014, IAFF notified ERB that it disclaimed interest in representing employees of Central Oregon Coast Fire and Rescue District.

The petition for revocation is granted. The certification of the International Association of Firefighters, Local 4619 as the exclusive representative for the bargaining unit is revoked effective this date.
