Give a gift this winter: your time

If you are feeling like a financial donation isn't possible right now, nonprofits still need your help — volunteer hours are worth more than you know to a nonprofit group. Here are some places to start if you want to get involved in your community:

There's still time to pledge!

State of Oregon employees still have a little more time to make their payroll contribution pledge or one-time gift using the new paperless online system.

Any State or University System employee can log on and pledge — just go to ecfd.oregon.gov and click on "PLEDGE NOW—State Employees" or "PLEDGE NOW — University Employees". To log in to the system, input:

USERNAME: [your employee id number]

PASSWORD: [your first name and last name, capitalized, no spaces] (example: JANEDOE)

Contact [your agency coordinator](#) with questions, or ask the Campaign Management Team (Deb Furry at cmoteam@earthlink.net or 503-528-2783.)

This system is secure, simple to use, and allows you to research nonprofits before you donate. It also stores a receipt of your pledge that you can access for tax purposes year-round.

If you prefer a paper pledge form, your worksite's coordinator will provide you with one, and a brochure, upon request.
