DEVELOPMENT

ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial

STATE ELECTION NUMBER:

E130721¹

CLAIMANTS:

William T. and Mary Lou Dunham
64496 E Brightwood Loop Road
Brightwood, Oregon 97011

MEASURE 37 PROPERTY
IDENTIFICATION:

Township 20S, Range 11E, Section 30A
Tax lot 1400
Deschutes County

The claimants, William and Mary Lou Dunham, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on November 14, 2006, for property located at 55540 Lazy River Drive, near Bend, in Deschutes County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election material; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested one home site approval in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes one home site and an "alternative septic system." Therefore, the claimants may qualify for a maximum of one home site approval under Section 6 of Measure 49.

¹ The claimants also have a claim for property not contiguous to the subject property which is identified as E131638.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimants, William and Mary Lou Dunham, filed a Measure 37 claim, M130721, with the state on November 14, 2006. The claimants filed a Measure 37 claim, M372007-172, with Deschutes County on April 27, 2007. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Deschutes County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimants, William and Mary Lou Dunham are the owners of fee title to the property as shown in the Deschutes County deed records and, therefore, are owners of the property under Measure 49.

Deschutes County has confirmed that the claimants are the current owners of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Deschutes County, outside the urban growth boundary and outside the city limits of the nearest city, Bend.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Rural Residential (RR-10) by Deschutes County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, allow the establishment of a dwelling on a pre-existing vacant lot of record. The claimants' property consists of a single lawfully established 3.98-acre vacant lot or parcel. Therefore, no state law prohibits the claimants from establishing a dwelling on the Measure 37 claim property.

Because this requirement has not been met, the claimants are not entitled to any relief under Measure 49, and, therefore, the remaining approval criteria will not be evaluated.

The claimants' Measure 37 claim requested a waiver of current septic requirements as part of the claim. Under Measure 49 such specific relief is not available as Measure 49 allows the department to authorize an otherwise prohibited number of home sites. Additionally, ORS 195.305(3) exempts from claims under Measure 49 land use regulations "[r]estricting or prohibiting activities for the protection of public health and safety * * * ." Therefore, any septic requirements that act to prohibit the claimant from establishing a home site cannot be waived under Measure 49.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on January 6, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimants do not qualify for Measure 49 home site approvals because no state law prohibits the claimants from establishing the dwelling. Measure 49 exempts from claims land use regulations for the protection of public health and safety.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
