

**OREGON DEPARTMENT OF LAND CONSERVATION AND
DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial**

STATE ELECTION NUMBER:

E132474

CLAIMANT:

Larry E. Dimmick
PO Box 1184
Oakridge, OR 97463

**MEASURE 37 PROPERTY
IDENTIFICATION:**

Township 22S, Range 10E, Section 36
Tax lot 400
Deschutes County

The claimant, Larry Dimmick, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located at 50346 Darlene Way, near LaPine, in Deschutes County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of his Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested one home site approval in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes one home site. Therefore, the claimant may qualify for a maximum of one home site approval under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimant, Larry Dimmick, filed a Measure 37 claim, M132474, with the state on December 1, 2006. The claimant filed a Measure 37 claim, M37-06-161, with Deschutes County on December 1, 2006. The state claim was filed prior to December 4, 2006.

The claimant timely filed a Measure 37 claim with both the state and Deschutes County.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) if the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimant, Larry Dimmick is the owner of fee title to the property as shown in the Deschutes County deed records and, therefore, is an owner of the property under Measure 49.

Deschutes County has confirmed that the claimant is the current owner of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Deschutes County, outside the urban growth boundary and outside the city limits of the nearest city, LaPine.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Forest (F-2) by Deschutes County, in accordance with ORS chapter 215 and OAR 660, division 6, because the property is "forest land" under Goal 4. Applicable provisions of ORS chapter 215 and OAR 660 division 6, enacted or adopted pursuant to Goal 4, provide standards for the establishment of a dwelling in a forest zone. In general and subject to some exceptions, those standards require that the property be a minimum of 80 acres.

The combined effect of the standards for the establishment of a dwelling in a forest zone is to prohibit the claimant from establishing a dwelling on the Measure 37 claim property.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimant, it does not appear that the establishment of the one home site for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Deschutes County deed records indicate that the claimant acquired the property on June 25, 1982.

On June 25, 1982, the Measure 37 claim property was subject to Deschutes County's acknowledged Forest (F-3) zone. Deschutes County's F-3 zone required 20 acres for the establishment of a dwelling on a vacant lot or parcel. The Measure 37 claim property consists of 10 acres. Therefore, the claimant lawfully could not have established any home sites on the Measure 37 claim property on his date of acquisition.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on September 21, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. Comments received have been taken into account by the department in the issuance of this Final Decision of Denial. The claimant and Deschutes County both submitted comments indicating that the department's determination that "Deschutes County's F-3 zone required 20 acres for the establishment of a dwelling on a vacant lot or parcel" is incorrect. However, neither comment provides further explanation of what standard the department should apply to determine whether the claimant would have been lawfully permitted to establish a dwelling on the 10-acre property in the F-3 zone on June 25, 1982.

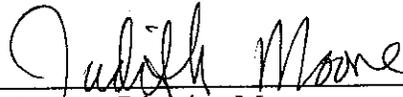

To the extent that the claimant and Deschutes County may be asserting that the F-3 zone included an alternative process under which the claimant could have attempted to obtain authorization for a dwelling on the 10-acre property, Measure 49 allows a claimant to establish the number of lots, parcels and dwellings that would have been lawfully permitted at the time a claimant acquired the property. A use is not lawfully permitted when approval of the use on a claimant's acquisition date would have required a highly discretionary review process and the record for that claim does not include any evidence that the claimant could have met the standards under such a review process.

III. CONCLUSION

Based on the analysis above, the claimant does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant's date of acquisition.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
