

OREGON DEPARTMENT OF LAND CONSERVATION AND  
DEVELOPMENT

ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Final Order of Denial

**STATE ELECTION NUMBER:** E132735

**CLAIMANTS:** James M. and Cheryl K. Donaldson  
32991 S. Wright Road  
Molalla, OR 97038

**MEASURE 37 PROPERTY IDENTIFICATION:** Township 7S, Range 2E, Section 8  
Tax lot 600  
Marion County

The claimants, James and Cheryl Donaldson, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 1, 2006, for property located at 3494 Crooked Finger Road, near Scotts Mills, in Marion County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimants have elected supplemental review of their Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

## I. ANALYSIS OF CLAIM

### A. Maximum Number of Home Sites for Which the Claimants May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimants have requested two home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes two home sites. Therefore, the claimants may qualify for a maximum of two home site approvals under Section 6 of Measure 49.

## **B. Qualification Requirements**

To qualify for a home site approval under Section 6 of Measure 49, the claimants must meet each of the following requirements:

### **1. Timeliness of Claim**

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

### **Findings of Fact and Conclusions**

The claimants, James and Cheryl Donaldson, filed a Measure 37 claim, M132735, with the state on December 1, 2006. The claimants filed a Measure 37 claim, M06-294, with Marion County on December 1, 2006. The state claim was filed prior to December 4, 2006.

The claimants timely filed a Measure 37 claim with both the state and Marion County.

### **2. The Claimant Is an Owner of the Property**

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

### **Findings of Fact and Conclusions:**

According to the deed submitted by the claimants, James and Cheryl Donaldson are the owners of fee title to the property as shown in the Marion County deed records and, therefore, are owners of the property under Measure 49.

Marion County has confirmed that the claimants are the current owners of the property.

### **3. All Owners of the Property Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

### **Findings of Fact and Conclusions:**

All owners of the property have consented to the claim in writing.

**4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City**

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

**Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Marion County, outside the urban growth boundary and outside the city limits of the nearest city, Scotts Mills.

**5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

**Findings of Fact and Conclusions:**

The property is currently zoned Farm/Timber (F/T) by Marion County, in accordance with Goals 3 and 4, as implemented by OAR 660-006-0050. State land use regulations, including applicable provisions of ORS chapter 215 and OAR 660, divisions 6 and 33, generally prohibit the establishment of a lot or parcel less than 80 acres in size in a mixed farm/forest zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimants' property consists of 20.04 acres. Therefore, state land use regulations prohibit the claimants from establishing on the Measure 37 claim property the two home sites the claimants may qualify for under Section 6 of Measure 49.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

**Findings of Fact and Conclusions**

Based on the documentation submitted by the claimants, it does not appear that the establishment of the two home sites for which the claimants may qualify on the property would be prohibited by land use regulations described in ORS 195.305(3).

**7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

**Findings of Fact and Conclusions**

Marion County deed records indicate that the claimants acquired the property on November 11, 1983.

On November 1, 1983, the Measure 37 claim property was subject to Marion County's acknowledged Farm/Timber (F/T) zone. Marion County's F/T zone required 40 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimants' property consists of 20.04 acres and is developed with a dwelling. Although Marion County's land development ordinance included provisions outlining a discretionary review process and discretionary standards under which a property owner could obtain approval for the division of a lot or parcel of less than 40 acres on which a dwelling could be established, the current record does not establish that the claimants would have been able to satisfy the requirements under such a review. Therefore it appears that the claimants do not qualify for any home sites, unless the claimants can show that under the discretionary review process and standards described in Marion County's land development ordinance the claimants would have been lawfully permitted to establish two home sites on the Measure 37 claim property when the claimants acquired the property.

**II. COMMENTS ON THE PRELIMINARY EVALUATION**

The department issued its Preliminary Evaluation for this claim on November 17, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

**III. CONCLUSION**

Based on the analysis above, the claimants do not qualify for Measure 49 home site approvals because the claimants were not lawfully permitted to establish the lots, parcels or dwellings on the claimants' date of acquisition.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
