

**OREGON DEPARTMENT OF LAND CONSERVATION AND
DEVELOPMENT**

**ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial**

STATE ELECTION NUMBER: E134318

CLAIMANT: Patricia Tack
PO Box 235
Sweet Home, OR 97386

**MEASURE 37 PROPERTY
IDENTIFICATION:** Township 14S, Range 1E, Section 6B
Tax lots 3700, 3800, 3900, 4000 and 4100
Township 14S, Range 1E, Section 6C
Tax lot 100¹
Linn County

The claimant, Patricia Tack, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on April 3, 2007, for property located at 26933 Old Holley Road, near Sweet Home, in Linn County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested more than three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes 21 home sites.

¹ In the Linn County Measure 37 report, the county states that the tax lots comprising the Measure 37 claim property, tax lots 100, 3700, 3800, 3900, 4000, and 4100, consist of one legal parcel. In reliance on that report, this Final Order considers the Measure 37 claim property as one legal parcel.

Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with either the state or the county in which the property is located on or before June 28, 2007, and must have filed a Measure 37 claim with both the state and the county before Measure 49 became effective on December 6, 2007. If the state Measure 37 claim was filed after December 4, 2006, the claim must also have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

Findings of Fact and Conclusions

The claimant, Patricia Tack, filed a Measure 37 claim, M134318, with the state on April 3, 2007. The claimant filed a Measure 37 claim, M37-034-05, with Linn County on February 17, 2005. The state claim was filed after December 4, 2006, in accordance with the applicable provisions of OAR 660-041-0020(2)(b).

It appears that the claimant timely filed a Measure 37 claim with both the state and Linn County. However, the state claim was filed after December 4, 2006, and was thus subject to the requirements of OAR 660-041-0020 then in effect.

OAR 660-041-0020 required in relevant part that Measure 37 claims based on existing DLCD regulations and filed after December 4, 2006:

(b) Include one of the following:

(A) A copy of the final written decision by a city, a county, or Metro on a Land Use Application that includes the Property and that requests authorization for the specific use that the Claim is based on, in which the city, county, or Metro determined that one or more Existing DLCD Regulations or city, county or Metro Land Use Regulations that implement Existing DLCD Regulations were approval criteria for the decision; or

(B) A copy of the final written action by an Agency on a complete application to the Agency, in which the Agency determined that one or more Existing DLCD Regulations were approval criteria for the application.

The claimant has provided a final written decision indicating that an existing regulation of DLCD, another agency or a county was an approval criterion for a completed application that the claimant had submitted to a city, county, Metro or an agency. Therefore the claim appears to have been filed in compliance with the provisions of OAR 660-041-0020 then in effect.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deeds submitted by the claimant, Patricia Tack is the owner of fee title to the property as shown in the Linn County deed records and, therefore, is an owner of the property under Measure 49.

Linn County has confirmed that the claimant is the current owner of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Property Is Located Entirely Outside Any Urban Growth Boundary and Entirely Outside the Boundaries of Any City

The Measure 37 claim property must be located entirely outside any urban growth boundary and entirely outside the boundaries of any city.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Linn County, outside the urban growth boundary and outside the city limits of the nearest city, Sweet Home.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Rural Residential-5 (RR-5) by Linn County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a lot or parcel less than the size established in the County rural residential

zone in existence on October 4, 2000, if the zone in existence on that date had a minimum lot size of two or more acres. Linn County's RR-5 zone requires a minimum lot size of five acres.

The claimant's property consists of 42.77 acres. Therefore, no state law prohibits the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

Because this requirement has not been met, the claimants are not entitled to any relief under Measure 49, and, therefore, the remaining approval criteria have not been evaluated.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on August 27, 2009. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

III. CONCLUSION

Based on the analysis above, the claimant does not qualify for Measure 49 home site approvals because no land use regulation prohibits the claimant from establishing the lots, parcels or dwellings.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
