DEVELOPMENT

ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW
OF MEASURE 37 CLAIM
Final Order of Denial

STATE ELECTION NUMBER:

H134186

CLAIMANT:

Orella H. Chadwick
7650 Fairview Road
Tillamook, OR 97141

MEASURE 37 PROPERTY
IDENTIFICATION:

Township 1S, Range 9W, Section 28
Tax lot 200
Tillamook County

The claimant, Orella Chadwick, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on December 5, 2006, for property located at 7650 Fairview Road, near Tillamook, in Tillamook County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants.¹ However, as initially enacted in 2007, a claimant was not eligible for relief under Measure 49 if the claimant filed a Measure 37 claim with the state after December 4, 2006, but did not comply with the provisions of OAR 660-041-0020, then in effect. Orella Chadwick was not entitled to Measure 49 relief on that basis.

However, the Oregon State Legislative Assembly subsequently amended this Measure 49 requirement through the passage of House Bill 3225 (Chapter 855 (2009 Laws)) (HB 3225). As a result, this requirement no longer prevents the claimant, Orella Chadwick, from obtaining Measure 49 relief. The claimant elected to seek relief under Measure 49, as amended by HB 3225, and submitted the \$175 fee required by Section 18 of HB 3225 in order to have the claim reviewed.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

¹ The claimant elected review under Section 7 of Measure 49. However, under HB3225 the department may only review claim H134186 under Section 6 of Measure 49.

I. ANALYSIS OF CLAIM

A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant elected supplemental review under Section 6 of Measure 49. No waiver was issued for this claim. The Measure 37 claim filed with the state describes up to ten home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, as amended by HB 3225, the claimant must meet each of the following requirements:

1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with the state before Measure 49 became effective on December 6, 2007. If the claimant filed their state Measure 37 claim after December 4, 2006, the claimant must also have either (a) filed the claim in compliance with the provisions of OAR 660-041-0020 then in effect; (b) submitted a land use application as described in OAR 660-041-0020 then in effect prior to June 28, 2007; or (c) filed a Measure 37 claim with the county on or before December 4, 2006.

Findings of Fact and Conclusions

The claimant, Orella Chadwick, filed a Measure 37 claim, M134186, with the state on December 5, 2006. The claimant filed a Measure 37 claim, M-06-45, with Tillamook County on December 1, 2006. The state claim was filed after December 4, 2006, and the claimant also filed a county Measure 37 claim on or before December 4, 2006.

The claimant filed a timely Measure 37 claim with the state along with any additional claims or applications that the claimant had to have filed in order to be eligible for review under Measure 49, as amended by HB 3225.

2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

Findings of Fact and Conclusions:

According to the deed submitted by the claimant, Orella Chadwick is the owner of fee title to the property as shown in the Tillamook County deed records and, therefore, is an owner of the property under Measure 49.

Tillamook County has confirmed that the claimant is the current owner of the property.

3. All Owners of the Property Have Consented in Writing to the Claim

All owners of the property must consent to the claim in writing.

Findings of Fact and Conclusions:

All owners of the property have consented to the claim in writing.

4. The Majority of the Measure 37 Claim Property Is Located Outside Any Urban Growth Boundary and Outside the Boundaries of Any City or the Measure 37 Claim Property is Located within the Boundaries of A City and Entirely Outside Any Urban Growth Boundary

Either the majority of the Measure 37 claim property must be located outside any urban growth boundary and outside the boundaries of any city or the Measure 37 Claim Property must be located within the boundaries of a city and entirely outside any urban growth boundary.

Findings of Fact and Conclusions:

The Measure 37 claim property is located in Tillamook County and the property is located outside any urban growth boundary and outside the city boundary of the nearest city, Tillamook.

5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

Findings of Fact and Conclusions:

The property is currently zoned Exclusive Farm Use (EFU) by Tillamook County. State land use regulations, including applicable provisions of ORS chapter 215 and OAR 660, division 33, enacted or adopted pursuant to Goal 3, generally prohibit the establishment of a lot or parcel less than 80 acres in size in an exclusive farm use zone and regulate the establishment of dwellings on new or existing lots or parcels.

The claimant's property consists of 14 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property the three home sites the claimant may qualify for under Section 6 of Measure 49.

6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

Findings of Fact and Conclusions

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

Findings of Fact and Conclusions

Tillamook County deed records indicate that the claimant acquired the property on March 9, 1994.²

On March 9, 1994, the Measure 37 claim property was subject to Tillamook County's acknowledged Farm (F-1) zone. Tillamook County's F-1 zone required at least 40 acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant's property consists of 14 acres and is developed with a dwelling. Therefore, the claimant lawfully could not have established any additional home sites on her date of acquisition.

² Claimant Orella Chadwick asserts an acquisition date of December 13, 1974. However, the deed records indicate that the claimant re-acquired tax lot 200 on March 9, 1994 after having conveyed the tax lot to a partnership on February 18, 1983. A partnership is a distinct and separate legal entity from its partners and thus Orella Chadwick did not acquire an ownership interest until 1994 when she reacquired the property as an individual.

II. COMMENTS ON THE PRELIMINARY EVALUATION

The department issued its Preliminary Evaluation for this claim on July 12, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. Comments received have been taken into account by the department in the issuance of this Final Order of Denial. Specifically, the claimant asserts that she acquired the property on February 21, 1957 and December 2, 1974, and not on March 9, 1994 as reflected in the preliminary evaluation. However, as the claimant explains in her letter, on February 19, 1983, the claimant and her husband transferred the property to "Chad Acres." The claimant reacquired the property from Chad Acres on March 9, 1994. Under Measure 49, Section 21(3), "if a claimant conveyed the property to another person and reacquired the property, whether by foreclosure or otherwise, the claimant's acquisition date is the date the claimant reacquired the property." As explained in the preliminary evaluation and above, Chad Acres is a distinct legal entity, separate from the claimant as an individual. Measure 49 statutorily requires that the claimant's acquisition date is the date she reacquired the property from Chad Acres on March 9, 1994.

III. CONCLUSION

Based on the analysis above, the claimant does not qualify for Measure 49 home site approvals because the claimant was not lawfully permitted to establish the lots, parcels or dwellings on the claimant's date of acquisition.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
