

OREGON DEPARTMENT OF LAND CONSERVATION AND  
DEVELOPMENT

ORS 195.300 to ORS 195.336 (MEASURE 49) SUPPLEMENTAL REVIEW  
OF MEASURE 37 CLAIM  
Final Order of Denial

STATE ELECTION NUMBER:

H134395

CLAIMANT:

Edna Louise Williams<sup>1</sup>  
2555 Glory C Road  
Medford, OR 97501

MEASURE 37 PROPERTY  
IDENTIFICATION:

Township 38S, Range 5W, Section 34  
Tax lot 3204  
Josephine County

AGENT CONTACT INFORMATION:

Grants Pass, OR 97526

The claimant, Edna Williams, filed a claim with the state under ORS 197.352 (2005) (Measure 37) on June 20, 2007, for property located at 235 Cedar Flat Road, near Williams, in Josephine County. ORS 195.300 to ORS 195.336 (Measure 49) entitles claimants who filed Measure 37 claims to elect supplemental review of their claims. The claimant has elected supplemental review of her Measure 37 claim under Section 6 of Measure 49, which allows the Department of Land Conservation and Development (the department) to authorize up to three home site approvals to qualified claimants. However, as initially enacted in 2007, a claimant was not eligible for relief under Measure 49 if the claimant filed a Measure 37 claim with the state after December 4, 2006 but did not comply with the provisions of OAR 660-041-0020, then in effect. Edna Louise Williams was not entitled to Measure 49 relief on that basis.

However, the Oregon State Legislative Assembly subsequently amended this Measure 49 requirement through the passage of House Bill 3225 (Chapter 855 (2009 Laws)) (HB 3225). As a result, this requirement no longer prevents the claimant, Edna Williams, from obtaining Measure 49 relief. The claimant elected to seek relief under Measure 49, as amended by HB 3225, and submitted the \$175 fee required by Section 18 of HB 3225 in order to have the claim reviewed.

This Final Order of Denial is the conclusion of the supplemental review of this claim.

<sup>1</sup> Louisa M. Tompkins was also a Measure 37 claimant; however, she passed away since the filing of the Measure 37 claim.

## I. ANALYSIS OF CLAIM

### A. Maximum Number of Home Sites for Which the Claimant May Qualify

Under Section 6 of Measure 49, the number of home site approvals authorized by the department cannot exceed the lesser of the following: three; the number stated by the claimant in the election materials; or the number described in a Measure 37 waiver issued by the state, or if no waiver was issued, the number of home sites described in the Measure 37 claim filed with the state. The claimant has requested three home site approvals in the election material. No waiver was issued for this claim. The Measure 37 claim filed with the state describes three home sites. Therefore, the claimant may qualify for a maximum of three home site approvals under Section 6 of Measure 49.

### B. Qualification Requirements

To qualify for a home site approval under Section 6 of Measure 49, as amended by HB 3225, the claimant must meet each of the following requirements:

#### 1. Timeliness of Claim

A claimant must have filed a Measure 37 claim for the property with the state before Measure 49 became effective on December 6, 2007. If the claimant filed their state Measure 37 claim after December 4, 2006, the claimant must also have either (a) filed the claim in compliance with the provisions of OAR 660-041-0020 then in effect; (b) submitted a land use application as described in OAR 660-041-0020 then in effect prior to June 28, 2007; or (c) filed a Measure 37 claim with the county on or before December 4, 2006.

#### Findings of Fact and Conclusions

The claimant, Edna Williams, filed a Measure 37 claim, M134395, with the state on June 20, 2007. The claimant filed a Measure 37 claim, 2005-092, with Josephine County on April 11, 2005. The state claim was filed after December 4, 2006 and the claimant also filed a county Measure 37 claim before December 4, 2006.

The claimant filed a timely Measure 37 claim with the state along with any additional claims or applications that the claimant had to have filed in order to be eligible for review under Measure 49, as amended by HB 3225.

#### 2. The Claimant Is an Owner of the Property

Measure 49 defines "Owner" as: "(a) The owner of fee title to the property as shown in the deed records of the county where the property is located; (b) The purchaser under a land sale contract, if there is a recorded land sale contract in force for the property; or (c) If the property is owned by the trustee of a revocable trust, the settlor of a revocable trust, except that when the trust becomes irrevocable only the trustee is the owner."

**Findings of Fact and Conclusions:**

According to the death certificate and probate documents submitted by the claimant, Edna Williams is the owner of fee title to the property as shown in the Josephine County deed records and, therefore, is an owner of the property under Measure 49.

Josephine County has confirmed that the claimant is the current owner of the property.

**3. All Owners of the Property Have Consented in Writing to the Claim**

All owners of the property must consent to the claim in writing.

**Findings of Fact and Conclusions:**

All owners of the property have consented to the claim in writing.

**4. The Majority of the Measure 37 Claim Property Is Located Outside Any Urban Growth Boundary and Outside the Boundaries of Any City or the Measure 37 Claim Property is Located within the Boundaries of A City and Entirely Outside Any Urban Growth Boundary**

Either the majority of the Measure 37 claim property must be located outside any urban growth boundary and outside the boundaries of any city or the Measure 37 Claim Property must be located within the boundaries of a city and entirely outside any urban growth boundary.

**Findings of Fact and Conclusions:**

The Measure 37 claim property is located in Josephine County and the property is located outside any urban growth boundary and outside any city boundary, near the community of Williams.

**5. One or More Land Use Regulations Prohibit Establishing the Lot, Parcel or Dwelling**

One or more land use regulations must prohibit establishing the requested lot, parcel or dwelling.

**Findings of Fact and Conclusions:**

The property is currently zoned Rural Residential (RR-5) by Josephine County, in accordance with Goal 14, which prohibits the urban use of rural land and requires local comprehensive plans to identify and separate urbanizable from rural land in order to provide for the orderly and efficient transition from rural to urban use. State laws, namely Goal 14 and OAR 660-004-0040, prohibit the establishment of a lot or parcel less than the size established in the County rural residential zone in existence on October 4, 2000, if the zone in existence on that date had a minimum lot size of two or more acres. Josephine County's RR-5 zone requires a minimum lot size of five acres.

The claimant's property consists of 5 acres. Therefore, state land use regulations prohibit the claimant from establishing on the Measure 37 claim property two of the three home sites the claimant may qualify for under Section 6 of Measure 49.

**6. The Establishment of the Lot, Parcel or Dwelling Is Not Prohibited by a Land Use Regulation Described in ORS 195.305(3)**

ORS 195.305(3) exempts from claims under Measure 49 land use regulations:

- (a) Restricting or prohibiting activities commonly and historically recognized as public nuisances under common law;
- (b) Restricting or prohibiting activities for the protection of public health and safety;
- (c) To the extent the land use regulation is required to comply with federal law; or
- (d) Restricting or prohibiting the use of a property for the purpose of selling pornography or performing nude dancing.

**Findings of Fact and Conclusions**

Based on the documentation submitted by the claimant, it does not appear that the establishment of the three home sites for which the claimant may qualify on the property is prohibited by land use regulations described in ORS 195.305(3).

**7. On the Claimant's Acquisition Date, the Claimant Lawfully Was Permitted to Establish at Least the Number of Lots, Parcels or Dwellings on the Property That Are Authorized Under Section 6 of Measure 49**

A claimant's acquisition date is "the date the claimant became the owner of the property as shown in the deed records of the county in which the property is located. If there is more than one claimant for the same property under the same claim and the claimants have different acquisition dates, the acquisition date is the earliest of those dates."

**Findings of Fact and Conclusions**

Josephine County deed records indicate that the claimant acquired the property on October 29, 2006.

The zoning of the Measure 37 claim property has not changed since the claimant acquired the property. As it is currently, on October 29, 2006 the Measure 37 claim property was zoned Rural Residential (RR-5) zone by Josephine County in accordance with applicable provisions of ORS chapter 197 and OAR 660, division 4. Josephine County's RR-5 zone required five acres for the creation of a new lot or parcel on which a dwelling could be established. The claimant's property consists of 5 acres. Therefore, the claimant lawfully could have established one home site on her date of acquisition. However, the claimant is not qualified for Measure 49 relief on the Measure 37 claim property because the zoning and lawfully permitted uses of the property have not

changed since the claimant acquired the property and no state land use regulations currently prohibit the claimant from establishing one home site on the Measure 37 claim property.

## **II. COMMENTS ON THE PRELIMINARY EVALUATION**

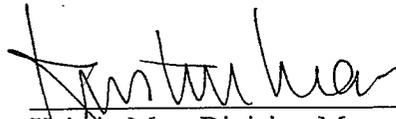

The department issued its Preliminary Evaluation for this claim on July 19, 2010. Pursuant to OAR 660-041-0090, the department provided written notice to the owners of surrounding properties. No written comments were received in response to the 28-day notice.

## **III. CONCLUSION**

Based on the analysis above, the claimant is not eligible for any relief under Measure 49 because the lawfully permitted use of the claimant's property has not changed since she acquired it.

IT IS HEREBY ORDERED that this Final Order of Denial is entered by the Director of the Department of Land Conservation and Development as a final order of the department and the Land Conservation and Development Commission under ORS 197.300 to ORS 195.336 and OAR 660-041-0000 to 660-041-0160.
