ORDER

The Claim is approved as to laws administered by DLCD and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCD Report, and subject to the following terms:

1. These laws will not apply to Mr. Roger's use of the property only to the extent necessary to allow him to use the property as permitted at the time he acquired it on September 25, 1968.

In lieu of compensation under Measure 37, the State of Oregon will not apply the following laws to Ms. Beck-Blaine's establishment of a dwelling on the subject property: Applicable provisions of OAR 660-033-0130(4), OAR 660-033-0135 and ORS 215.284. These laws will not apply to Ms Beck-Blaine's use of the property only to the extent necessary to allow her to use the property as permitted at the time she acquired an interest in it on March 4, 1980.

2. The relief granted by this order does not authorize Mr. Rogers to use the Property for a use not permitted when he acquired his interest in the Property. The use of the Property permitted in 1968 was not govern by any specific state laws, except for some provisions of ORS 215, related to farm dwellings, which generally were in effect in 1968. Specifically, Mr. Rogers is authorized develop the Property subject to the laws under ORS 215 in effect on September 25, 1968.

The relief granted by this order does not authorize Ms. Beck-Blaine to use the Property for a use not permitted when she acquired her interest in the Property. The use of the Property permitted in 1980 was governed by state laws that include, but are not limited to: the provisions of Statewide Land Use Planning Goal 3, and ORS 215 that existed at that time. Specifically, Ms. Beck-Blaine is authorized develop the Property subject to the laws under Goal 3 and ORS 215 in effect on March 4, 1980.

3. To the extent that any law, order, deed, agreement or other legally-enforceable public or private requirement provides that the Property may not be used without a permit, license, or other form of authorization or consent, this order does not authorize the use of the Property unless the Claimants first obtains that permit, license, or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.412 or ORS 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the Property imposed by private parties.

4. Any use of the Property by the Claimants under the terms of this order remains subject to the following laws: (a) those laws not specified in (1), above; (b) any laws enacted or enforced by a public entity other than DLCD; and (c) those laws not subject to Measure 37 including, without limitation, those laws exempted under section (3) of Measure 37.

5. Without limiting the generality of the foregoing terms, in order for the Claimants to use the Property, it may be necessary for the Claimants to obtain a decision under Measure 37 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the Property. Nothing in this order relieves the Claimants from the necessity of obtaining a decision under Measure 37 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the Property by the Claimants.
