Claim: The demand for compensation and any supporting information received from the Claimants by the State of Oregon (the Claim).

Claimants submitted the Claim to the State of Oregon under Ballot Measure 37 (2004) (Oregon Laws 2005, Chapter 1) (hereafter, Measure 37). Under OAR 125-145-0010 *et seq.*, the Department of Administrative Services (DAS) referred the Claim to the Department of Land Conservation and Development (DLCD) as the regulating entity. This order is based on the record herein, including the Findings and Conclusions set forth in the Final Staff Report and Recommendation of DLCD (the DLCD Report) attached to and by this reference incorporated into this order.

ORDER

The Claim is approved as to laws administered by DLCD and the Land Conservation and Development Commission (LCDC) for the reasons set forth in the DLCD Report, and subject to the following terms:

1. In lieu of paying just compensation under Measure 37, the State of Oregon will not apply the following laws to the Andersons' subdivision of their Property into 22 parcels and to the establishment of a single family dwelling on each parcel created: applicable provisions of Statewide Planning Goals 3 and Goal 4, ORS 215.263, 215.283, 215.284, 215.705 to 215.755 and 215.780, and applicable provisions of OAR 660 divisions 6 and 33. These land use regulations will not apply to the Andersons' use of their Property only to the extent necessary to allow the claimants to a use permitted at the time they acquired the Property on July 15, 1952, and only to the extent that they are not exempt under subsection 3(A) through 3(D) of Measure 37. The State of Oregon will make a final determination regarding what laws may apply to the use of the Property, and the application of the exemptions, when the Claimants have a specific plan for their use of the Property.

2. The action by the State of Oregon provides the state's authorization to the Claimants to use their Property subject to the standards in effect on July 15, 1952, and subject to any other laws that may continue to apply under the exemptions in subsections 3(A) through 3(D) of Measure 37. On July 15, 1952, the property was subject to some provisions of what is now codified as ORS 92.

3. To the extent that any law, order, deed, agreement or other legally-enforceable public or private requirement provides that the Property may not be used without a permit, license, or other form of authorization or consent, this order does not authorize the use of the Property unless the Claimants first obtains that permit, license, or other form of authorization or consent. Such requirements may include, but are not limited to: a building permit, a land use decision, a permit as defined in ORS 215.412 or ORS 227.160, other permits or authorizations from local, state or federal agencies, and restrictions on the use of the Property imposed by private parties.

4. Any use of the Property by the Claimants under the terms of this order remains subject to the following laws: (a) those laws not specified in (1), above; (b) any laws enacted or enforced by a public entity other than DLCD; and (c) those laws not subject to Measure 37 including, without limitation, those laws exempted under section (3) of Measure 37.

5. Without limiting the generality of the foregoing terms, in order for the Claimants to use the Property, it may be necessary for the Claimants to obtain a decision under Measure 37 from a city and/or county and/or metropolitan service district that enforces land use regulations applicable to the Property. Nothing in this order relieves the Claimants from the necessity of obtaining a decision under Measure 37 from a local public entity that has jurisdiction to enforce a land use regulation applicable to a use of the Property by the Claimants.

This Order is entered by the Deputy Director of the DLCD as a final order of DLCD and the Land Conservation and Development Commission under Measure 37, OAR 660-002-0010(8), and OAR 125, division 145, and by the Deputy Administrator for the State Services Division of the DAS as a final order of DAS under Measure 37, OAR 125, division 145 and ORS 293.
