Land Conservation and Development Commission
635 Capitol Street
Salem, Oregon 97301

Dear Commissioners,

I extend my sincere thanks to the LCDC Citizen Involvement Advisory Committee for awarding Envision Eugene the STAR Award for Citizen Involvement in land use. I was thrilled to learn that Envision Eugene was selected as the recipient of this valuable statewide distinction.

As a community, we are proud of the partnerships and collaboration that have made Envision Eugene a success thus far. The Envision Eugene process has helped overcome entrenched positions on growth in our community and has encouraged a better discussion about how the City can meet state requirements for land use planning. While the goal of Envision Eugene is to create a community plan for how we grow in the future, the process has done more than that—it has helped our community establish a new way of working together in the present.

By awarding Envision Eugene the STAR Award for Citizen Involvement, you have confirmed what we have heard from people all around our community—that Envision Eugene truly is our vision; a reflection of where we all aspire and hope to be in the future.

Thank you,

Kitty Percy
