REQUEST TO APPEAL

Request to Appeal Pursuant ORS 197.090(2), (3), and OAR 660-010-0201 to -0230. State law requires Commission approval of the director's recommendation to seek review of or intervene in the appeal of a local government land use decision, expedited land division, or limited land use decision. This item is a placeholder. It will take place only in the event that an appeal is contemplated. At this point in time the department is evaluating a possible appeal. In the event that the director decides to proceed with a recommended appeal supplemental materials will be distributed. If there is an appeal, only the director, or department staff on the director's behalf, the applicant, and the affected local government may submit written or oral testimony concerning Commission approval of a director's recommendation to file or pursue an appeal, or an intervention in an appeal, of a land use decision, expedited land division, or limited land use decision.
