Notice of Public Hearings Regarding Proposed New and Amended Administrative Rules

The Land Conservation and Development Commission (LCDC) is considering new administrative rules and amendments to existing rules in order to establish an alternative, streamlined process to evaluate or amend urban growth boundaries (UGBs). The new and amended rules will implement legislation enacted by the 2013 Oregon Legislature, HB 2254 (ORS 197A), which required LCDC to adopt administrative rules establishing the new UGB process by January 1, 2016. The new statutes under ORS 197A require the new alternative process, but also make changes to the existing UGB process in OAR 660, division 24.

The Department of Land Conservation and Development (DLCD) is soliciting public comment regarding proposed new rules and rule amendments. The new rules will include OAR 660, division 38, and the amended rules are under OAR 660, division 24. A draft of the proposed rules and other notices and fiscal statements will be available September 10, 2015, on DLCD's website at http://www.oregon.gov/LCD/Pages/UGB-Streamlining.aspx#Key_Documents.

LCDC will hold its first public hearing on September 24, 2015, in order to receive public comment regarding the proposed new rules and rule amendments. Interested persons may provide oral testimony to LCDC regarding the proposed rule amendments at this hearing, and are encouraged to send written comments in advance of the hearing. Oral and written testimony will be accepted until the close of the hearing. A second public hearing will be scheduled for LCDC's December 3-4, 2015 meeting, in Salem. LCDC will not adopt the proposed rules at the September hearing, but may adopt the rules at the December 3-4, 2015, hearing.

The September 24th LCDC hearing on this topic is scheduled to begin at approximately 1:00 PM at the Holiday Inn Express, 204 W Marine Drive, Astoria. For that hearing, the department is also providing the opportunity for remote public testimony from Salem at the Agriculture Building, 635 Capitol St. NE, Basement Hearing Room. Please contact Amie Abbott (503-934-0045) for further information about this option if you plan to testify from Salem.
