RULE SUMMARY

These rules will clarify Goal 14 and other requirements of law regarding the adoption and amendment of urban growth boundaries (UGBs), provide new "safe harbors" intended to reduce local government time and cost in amending a UGB, especially with regard to determination of housing need, housing density and housing mix, employment need, and related topics. The proposed amendments would also clarify procedures for LCDC review of urban growth boundaries in the manner of periodic review under ORS 197.626, and may clarify procedures in OAR 660, division 24, regarding UGB adjustments.

The Commission may consider additional rule clarifications or amendments to the UGB process that may be proposed during the public comment period. The Agency requests public comment as to other options that should be considered for achieving the proposed rules' substantive goals while reducing negative economic impacts on business.
