Policy:

The State Library Board and State Library management support equal employment opportunity laws, rules, and regulations; affirmative action concepts; and the right of all persons to work and advance on the basis of merit, ability, and potential. The performance of the State Librarian and managers will be evaluated, in part, on their efforts and accomplishments in promoting the respectful workplace, affirmative action, and equal employment opportunity goals and objectives of the agency. The State Librarian and managers are accountable for promoting a respectful workplace, which
honors diversity and promotes understanding and success for all employees.

The State Library remains committed to maintaining an inclusive and positive work environment through ongoing and equitable employee training and development opportunities.

As an equal opportunity employer, the State Library strives to eliminate the effects of past and present discrimination, intended or unintended, which are evident by analysis of present employment patterns and practices.

The State Library will actively seek to attract qualified applicants from diverse backgrounds to improve the hiring opportunities of underrepresented populations and to develop a diverse workforce. The candidate selected for the position will be the individual who meets the minimum qualifications of the position and whose knowledge, skills, and abilities best meet the needs of the agency at the time the selection decision is made.

The State Library will continue its adherence to established nondiscrimination and affirmative action guidelines in screening and selecting contractors and volunteers and in appointing advisory committee members.

The State Library will not discriminate or tolerate discrimination against any individual because they are a member of, apply to be a member of, perform, have performed, or have an obligation to perform service in a uniformed service.

If an individual believes they were denied employment with the State Library based on any of the aforementioned discriminatory factors, they may request a review of the decision by contacting the State Library’s Affirmative Action Representative at 503-378-2105.
