To whom it may Concern:

I have applied for a funeral service practitioner apprentice license with the board. I am currently enrolled at Mt. Hood Community College as a part time student. My class is the internship program (FSE240A) which is three credit hours. As this is my only class, and it requires that I work and learn at a funeral home, I am confident that it will not interfere with my ability to work as an apprentice at Ross Hollywood Chapel. I have spoken to my manager and preceptor on this matter, and we have worked out a schedule that we feel will enable me to complete the requirements set forth by the State of Oregon. I will be working at Ross Hollywood Chapel as an apprentice four days of the week, eight hours per day. The internship class meets on one of my scheduled days off, enabling me to attend every class. Thank you for your time and consideration in this matter. If you have any further questions, please contact me at Ross Hollywood Chapel (503)281-1800 or on my personal phone (252)452-4888.

Sincerely,

Kristina Taylor
